Katrina on its way

Workers board the windows at the Bay St. Louis City Hall Annex on Court St. Saturday in preparation for Hurricane Katrina.

Killer storm projected to hit area early Monday morning

BY ELLIS C. CUEVAS
Publisher Emeritus

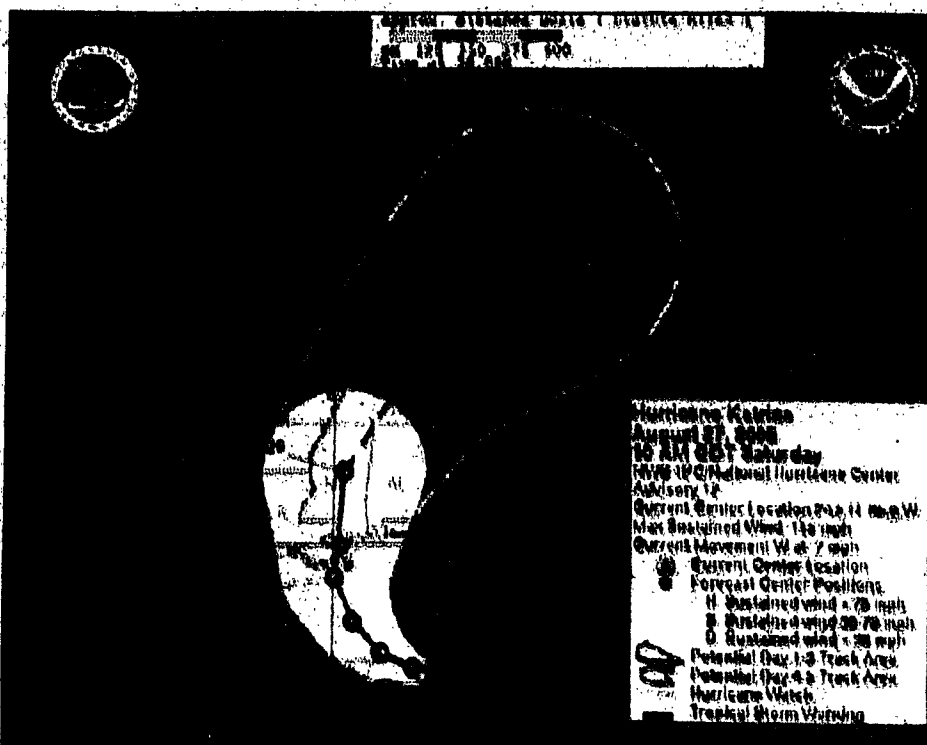

The Hancock County Emergency Management Agency (EMA), was a beehive of activity Saturday, with local officials preparing for Hurricane Katrina.

Hancock EMA director Brian Adam, because of the approaching hurricane activated the local agency at 9 a.m. Saturday on an around-the-clock basis.

At a 2:15 p.m. meeting Saturday, Adam said, "We have a meeting at 4:30 p.m. this evening, I am going to suggest a mandatory evacuation for all low lying areas of the county, including mobile and modular homes. Katrina is expected at its current speed to reach us with 50 mile-per-hour winds by 3 a.m. Monday and they eye of the storm is expected to reach here by 1 p.m. Monday."

Adam continued, "Katrina could speed up, who really knows. I am also going to recommend a mandatory evacuation for mid-night Saturday, for all of Hancock County - to the county and city officials too. This is to give everyone working at stores, etc., time to make their preparations."

County Administrator Tim

The National Hurricane Center's projected path for Hurricane Katrina.

Kellar said Governor Barber has already declared Hancock County an emergency county Saturday afternoon.

"Whenever wind reach 50 mph, we shut down police and fire vehicles, as it gets dangerous with strong winds to be on the road," Kellar added.

A Red Cross Shelter was scheduled to open Saturday evening at 6 p.m. at Hancock North Central Elementary School off Highway 603.

Also, Pearl River County

Emergency Management Agency Director Bobby Strahan will make known to our EMA the opening of a large church in Pearl River Saturday evening, as a shelter for Hancock residents.

Adam was concerned with the State of Louisiana contra-flow using Mississippi's highways: "I do suggest motorists use alternate highways if possible."

Hancock band program back in the groove

BY GEOFF BELCHER

Despite the fact that the Hawks lost their season-opener to Bay High Friday evening, there were still some parents and students celebrating at Hancock High School because the Hancock band was back in business.

A groundswell of controversy began in late July after it appeared that the Hancock band program was put under the direct supervision of the district athletic director. Despite the rumors, Superintendent for Education David

Make hurricane preparations now

Meteorologists are watching Hurricane Katrina closely as it churns through the Gulf. Area residents should start planning now in case any evacuations are issued, and begin preparing for an emergency by following these steps:

Know What Hurricane Watch and Warning Mean
-- Watch: Hurricane conditions are possible in the specified area of the Watch, usually with 36 hours.
-- Warning: Hurricane conditions are expected in the specified area of the Warning, usually within 24 hours.

Prepare a Personal Evacuation Plan:

-- Identify ahead of time where you could go if you are told to evacuate. Choose several places— a friend's home in another town, a motel or a shelter.

-- Keep handy the telephone numbers of these places as well as a road map of your locality. You may need to take alternative or unfamiliar routes if major roads are closed or clogged.

-- Listen to NOAA weather radio or local radio or TV stations for evacuation instructions. If advised to evacuate, do so immediately.

Take these items with you when evacuating:

1. Prescription medications and medical supplies
2. Bedding and clothing, including sleeping bags and pillows
3. Bottled water, battery-operated radio and extra batteries, first aid kit, flashlight
4. Car keys and maps
5. Documents, including driver's license, social security card, proof of residence, insurance policies, wills, deeds, birth and marriage certificates, tax records, etc.

6. When evacuating to a shelter— enough food and water should be brought to sustain you for at least the first 12 hours.

Sheriff investigating threat allegations at Gulfview Elem.

BY GEOFF BELCHER
News Editor

The Hancock County Sheriff's Department is investigating whether a substitute teacher threatened to kill a room full of Gulfview Elementary students.

According to a statement issued Thursday by Kevin and Becky Hood, parents of a nine-year-old Gulfview

student, on "Monday of this week, my child had a substitute teacher in her fourth grade class that threatened to kill the whole class with a rifle and told them ... she was closing the door because she did not want any witnesses."

The Hoods reported the incident to Gulfview Assistant Principal Alan Dedaux and Assistant Superintendent for Education Eddie Danzey.

Superintendent for Education David Kopf said Friday that he and all school administrators take

such reports very seriously, and he has asked Hancock County Sheriff Steve Garber to investigate the matter.

In addition, he said, "We utilize Kelly Services to provide us with substitute teachers. ... We went ahead and asked that this individual no longer be sent to Hancock County schools."

The identity of the substitute teacher who allegedly made the threat has not yet been released, pending the outcome of the investigation.

Drug overdose at HHS

BY ELLIS C. CUEVAS

A 15-year-old Hancock High student was found on the floor of a bathroom, then rushed to Hancock Medical Center Thursday afternoon and treated for a drug overdose, Sheriff Steve Garber reports.

Chief Investigator Kenny Hurt said, "A fellow student saw the boy on the floor of a bathroom and notified school officials. Lt. Ray Billeaud, school officer was summoned, he suspected the boy may have been on some type of drugs, and summoned American Medical Response."

"The youth was rushed to Hancock Medical Center, where he was treated. Later the boy spoke to Investigator John Luther, whom he told he had purchased some pills earlier from a guy in a Picayune business parking lot," Hurt stated.

Hurt continued, "The boy said he thought the pills was Ecstasy and he took two of them around 11 a.m. The emergency call came into the sheriff's office at 12:45 p.m."

DeLisle residents voice concerns over proposed DuPont expansion

BY GEOFF BELCHER
News Editor

More than 100 people showed up at the West Harrison Civic Center in Pass Christian on Thursday for a Mississippi Department of Environmental Quality hearing on two permits for the DuPont DeLisle plant. One of those permits will allow the company to greatly increase production at the plant; the other will completely change the way the company records and reports pollution.

Brad Martin - safety, health and environmental director for the plant - said that the TRI Emissions Reduction Project permit represents a \$40 million dollar investment that will allow the company to increase output and at the same time reduce pollution at the plant by as much as 90 percent.

"This project reflects DuPont's core value of environmental stewardship," Martin said.

The company's Title V permit, Martin said, will ensure that there is "eight times as many record keeping and reporting requirements involved."

The TRI project includes the installation of thermal oxidizers, Martin said, which will enable the reduction of dioxins and dioxin-like compounds DuPont puts into the atmosphere. Although the process will slightly increase the amount of sulphuric acid mist, he said, the company will include additional scrubbers to help bring the emissions down.

"The reality is that the process they use causes pollutants that enter our environment and ultimately our bodies ...," Paul Stewart of the Gulf Coast Chapter of the Sierra Club said. "There is no such thing as a small amount of dioxin. Dioxin is poison. Period."

Stewart decried the fact that DuPont is self-regulated and said the company has misinformed the public in the past.

"The only way we can believe what DuPont tells us is if we have a factual history to go on," he said. "There is no factual history."

"I cannot for the life of me fathom why we let a group of people poison others because they have a permit in their hand. Is it worth the profits that go to the few to poison the many?"

Several employees spoke up in defense of the company, citing its sparkling safety record; its spotless track record of taking care of both its employees and its community; and the fact that, although having worked at the plant for many years, they themselves show no signs of illness.

"I was born and raised in Bay St. Louis," plant employee Elizabeth Matthews said. "I have eaten crabs and oysters from the Bay my entire life, and I'm here to tell you I don't have anything wrong with me except maybe that I eat too many oysters."

Matthews said that "The majority of the people who work at the DeLisle plant are like me - they were born and raised in this area, and they are proud to work for

DuPont."

Matthews noted a recent study that found pollution in St. Louis Bay's oysters, but said that people have been flushing their raw sewage into the Bay for years. The dioxins the study found in the bay oysters do not match the DNA structure of the type of dioxin produced by the process used at DuPont.

"It is not coming from DuPont," Matthews said. "DuPont is the safest chemical plant in the world."

Those speaking on the plant's behalf also included an epidemiologist who noted that the plant regularly monitors and tests its own employees for the first sign of any type of illness; and two scientists who said they had followed up on the oyster study and found it contained some glaring errors that inappropriately condemned DuPont.

Among the opposition's speakers was Devon Intunica, who said she grew up in DeLisle near the DuPont plant and for a time "lived at Tulane Medical Center" due to health problems caused by exposure to pollutants.

"I've been told that because of my degenerative disc disease," she said, "I will be in a wheelchair by the time I'm 50."

Worse, she said, her mother who had worked at the plant for 23 years is now dead from a rare form of cancer; two of her uncles - one of whom is now dead - had contracted leukemia; her brother had died of kidney failure due to exposure to radioactive isotopes; and

she numerous neighbors and friends from DeLisle who had contracted a host of other cancers and nervous system disorders.

"Regardless of what we hear tonight," she said, "the facts are that people are dying every day."

MDEQ's Jerry Cain said that the environmental permits board will include the public's statements in its recommendation to the EPA. The EPA will review the permit applications and comments for a maximum of 45 days before sending its recommendations back to the DEQ.

Burglary suspect arrested

BY ELLIS C. CUEVAS
Publisher Emeritus

A Wolf Creek Road resident was arrested following a burglary discovered Monday morning at a neighborhood grocery on the Standard-Dedeaux Road, Hancock County Chief Investigator Kenny Hurt reports.

Investigators Rita Blaize-Watson and Deron Cuevas worked very hard on finding a suspect in this case.

"For three days they did a lot of groundwork and knocked on many doors gathering information, to add to what little they had

on to go on. It was a very good investigative job," Hurt added.

Blaize-Watson said, "Gary W. Bourgeois, 43, of Wolf Creek Road in North Hancock County, was arrested Thursday and charged with the alleged burglary of Halfway Grocery, (formerly Martin's and now under new ownership)."

Items taken during the burglary included, beer, cigarettes, other tobacco products, meat, cheese, cash and a cabinet containing approximately \$5,000 in checks, which were burned by the suspect. "We did col-

lect the ashes of the burnt checks," Blaize-Watson stated.

Blaize-Watson went on to say, "Anyone who may have paid by check, or cashed a check recently at the Halfway Grocery, may want to contact them, as they have no records on the burnt checks."

Bourgeois was lodged in the Hancock County Criminal Justice Facility in lieu of a \$30,000 cash bond, Blaize-Watson said.

Officers assisting Blaize-Watson and Cuevas included, Sgt. Kent Malley, Sgt. Harold Hirsch, and Lt. Phillip Pavolini.

Cuevas' Quotes

Don't miss the Community Day at Space Center

The Stennis Space Center is planning a great Labor Day Community event.

This is nothing new to the Hancock County Test Site, as I can recall one 40 years ago in which there were over 7,000 folks in attendance.

This is a free event and the highlight of the September 3 evening will be the first-ever concert in the local area by the Gulf Coast Symphony Orchestra, followed by a spectacular fireworks display.

Other entertainment includes the Coastal Vibrations jazz ensemble from Mississippi Gulf Coast College, the Lynn Meadows Discovery Center's WINGS and the Coast Choral group.

The public is invited to come and bring lawn chairs, blankets and pic-

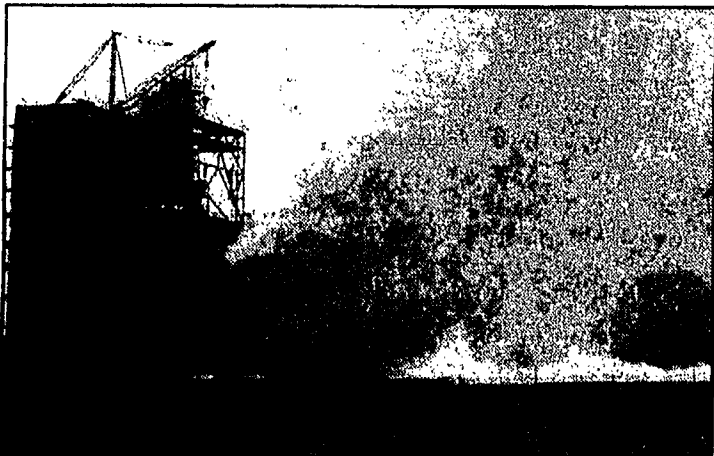

nics. Passes are required for the Stennis Community Day and can be obtained from the Chambers of Commerce in Mississippi's Hancock and Pearl River Counties; in Slidell, Louisiana and the Launch Pad next to the Hancock Welcome Center on I-10.

For more information, call 228-688-2370, or 1-800-237-1821.

Activities begin at 5 p.m. with gates opening at 4 p.m. Food and refreshments vendors will be available too.

There will also be NASA astronauts, tour of the test complex, Astro Camp activities, and extended hours at the StennisSphere, the visitor center at SSC.

Sounds like folks can have a great time right here in Hancock County next Saturday evening.

Workforce Training = Job Creation

BY GOV. HALEY BARBOUR

Since my first year in office, I have worked to ensure that

Mississippi has the most attractive business climate possible and that we focus on creating new, better-paying jobs. Through recent legislation such as Momentum Mississippi, comprehensive tort reform, streamlining Mississippi's workforce development system, and easing the payroll tax on Mississippi employers, we have laid the foundation for competitiveness and economic growth.

A huge slice of the economic development pie is how we train our workers.

Last year, the Legislature passed the biggest overhaul of our state workforce development and job training programs ever. We've cut payroll taxes on our state's employers by 25 percent, while doubling state support to community colleges for job training. The result: In its first year, the number of clients the reorganized department placed in jobs increased by 35 percent over the previous year.

2004 Workforce Training Act = Job Creation
With support from the Legislature, we reformed

our workforce training programs by passage of the Mississippi Comprehensive Workforce Training and Education Consolidation Act of 2004. Its purpose was to create an aligned, demand-driven public workforce training system that sustains, develops, and grows new jobs for Mississippi workers. We also wanted to provide employers an available, consistent, and skilled workforce, and offer a clear path to individuals seeking their first job or a better job.

The legislation gives more of the workforce development and training franchise to community colleges, which have a proven record of performance in this area. The programs of the Mississippi Employment Security Commission have been transferred to the

executive branch of government, allowing greater coordination and utilization of funds for workforce training and development programs and fostering a better working relationship with the Mississippi Development Authority, our state's primary economic development agency. Consolidating workforce-training activities within the state will result in a more efficient and cost-effective method for delivery of workforce-training activities and education while eliminating duplicate activities.

Lifelong Learning = Job Creation

Bay's 'Downtown Station' post office should stay

Postmaster, Please reconsider your decision and the effect that your decision will have on long term and new residents of Bay St. Louis. I'd like to stress the following points:

1) We, the tax paying citizens of Bay St. Louis, have worked long and hard to further the use of the "downtown area" in terms of shopping, the arts, and for those residents and businesses in that immediate area.

2) Closing the downtown branch will have a devastating effect on this growing economy that we have worked so hard to achieve.

3) The downtown post office is within walking distance for many of the older residents who do not have transportation available (remember, no public transportation is available either) and their access to post office boxes would be severely curtailed.

4) Fuel costs will deter those folk with transportation to drive to the highway location.

5) The downtown post office is constantly busy with both residential and business people collecting their mail, mailing packages, and buying stamps.

6) There seems to be no consideration given to the impact on businesses in particular as well as to the private citizen with regard to cost of stationery, business cards, and all the paraphernalia of day to day living.

7) It is at least incongruous to give only two weeks notice to long time box holders. It will be extremely difficult to notify all correspondents (banks, customers, friends, relations) of the necessary change of address. Some of these box holders have had these addresses from fifty to seventy years.

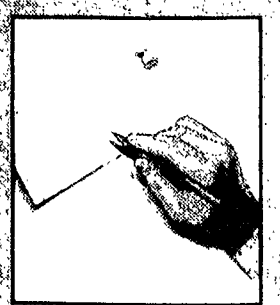

8) A previous attempt to close the downtown post office resulted in reconsideration based on the effect such closure would have on businesses and residents. Nothing has changed to reduce the impact such closure would incur. If anything, the situation will be worse in that more people than ever depend heavily on the access granted by the downtown post office. Bay St. Louis is being touted nationally for its quality of life and for its ambiance. Please help us maintain our reputation.

Thank you,
Yvonne Brown Tanner

RE: Reed Hotel conversion

Dear Mayor Favre:

First, let me applaud you on taking the initiative in May to propose the temporary moratorium on condominium development in our city. Hopefully, it is this kind of thinking that will keep our community safe from ravaging development by others who do not recognize the charm, character and scale of our town that make our small part of the coast so attractive and such a wonderful place to live. I hope your will and that of the rest of our city leaders remains strong in the face of undoubtedly increasing pressure to give in to the demands these developers are foisting upon you and the council.

Redevelopment and growth are certainly not bad things; indeed, part of what is so charming about Bay St. Louis, and gives it much of its character, is that our town is not a plastic facade of fanciful themed buildings, but is a fabric, woven over time - a bit threadbare here and there, but overall quite remarkable. To propose this monstrous eyesore smack in the middle of one of the most genteel areas on the entire Gulf Coast is an insult to everyone that lives here and to our children and our children's children. Their proposal is so completely ludicrous and out of touch with any sense of the

grate; or they can evaporate. For our new or existing businesses to be successful they must be competitive, which means they must innovate and increase their productivity. Better skilled workers can use technology to improve productivity and successfully compete on quality and cost. That's crucial. Improving our workforce and job training programs is something on which the state is taking the lead right now.

We must embrace lifelong learning in Mississippi, and we've already started. Education begins before kindergarten and continues for the rest of your life. Helping our working people continuously upgrade their skills is essential for survival in our modern economy.

Cut Payroll Taxes = Job Creation

This year, knowing that small businesses in Mississippi are responsible for more than 80 percent of all new jobs created in our state, we cut payroll taxes on employers by 25 percent. This was an important step.

Unemployment taxes on employers go into an unemployment trust fund and the money is then used to pay unemployment benefits.

Over the last 20 years, because of flaws in the formula, the state has collected way too much in unemployment taxes than is needed to pay unemployment benefits. The state's unemployment reserve fund has grown to \$684 million, despite the fact the state generally pays out only \$150 million a year in unemployment benefits. Yet, the fund continues to grow.

Without correcting this, every business, large and small, pays more unemployment taxes than necessary. While none of this excess money can be used for state government costs, we can and have reduced the tax. And, as 23 other states have done, we have redirected a portion of the new formula to fund additional workforce training programs that help keep unemployment low.

For example, without restructuring the unemployment tax formula, Mississippi's unemployment tax would have automatically increased by \$35 million this year; this is \$35 million that businesses could have used to create new jobs.

Senate Bill 2480 is not only preventing an unnecessary tax increase this year, it will actually decrease the unemployment tax burden

of businesses over the next several years. The fund is large enough to do this while ensuring we maintain ample funds to pay benefits.

As an additional component, the new law creates a Workforce Training Enhancement Fund to provide about \$20 million a year for workforce training activities to supplement community and junior college workforce training dollars.

With this new money supplementing current appropriations, we can have one of the nation's best programs for attracting and keeping better, higher paying jobs, and providing our workers the most advanced training possible.

More and Better Jobs
I am pleased that by streamlining our state workforce development and job training programs and cutting our payroll taxes by 25 percent, we were still able to double state support to community colleges for job training.

Economic development is not possible without a strong commitment to lifelong learning. Let's continue to promote win-win situations for both businesses and workers.

continuity, scale and feel of our town, it is a wonder that the individuals who proposed this travesty have ever even been to Bay St. Louis.

To preserve the unique character and feel of our community, PLEASE do not make exceptions to the current R-1 and R-2 zoning of this area. This is not what I want for our town, and I trust it is not what you or the council want for our future either. We need to work with the rest of the communities on the coast, which are threatened with the same sort of wanton, careless ravaging of our scenic shores that make Hurricane Camille look like a afternoon shower. We

must draw a line in the sand and hold strong. The people who live in our community live here because of its nature and its strong sense of community, family and continuity. Any redevelopment of our town that is blind to these values makes a mockery of the generations who have gone before us and sacrifices this way of life so that succeeding generations will never know it. This town is a treasure; please do not give it away. I respectfully request that the rezoning of the current Reed Hotel site be declined.

Very truly yours,
Scott A. Umberger

Officials should plan development together

On August 17, the Waveland Aldermen unanimously passed a resolution providing for a 180 day moratorium on the issuance of any condo permits or zoning changes to allow such developments. This will provide time for the formation of a comprehensive plan for land use and development in the city. In May, Bay St. Louis Mayor Eddie Favre suggested a moratorium of the same type of developments, for the same reason. I applaud the officials of Bay St. Louis and Waveland for their foresight.

Also on August 17, concerned citizens presented the Hancock County Board of Supervisors with 300 petitions requesting that they join in with city officials in a moratorium. The supervisors voted only to

"accept the petitions." It was very disappointing that they did not just vote to honor the wishes of the hundreds of people who took the time to file their petitions. If the supervisors are not willing to represent the wishes of their constituents, then why are they there? Could it be that they have made promises to yet more developers that they will support their projects?

It only makes sense that all of our officials in Hancock County join together with each other and with citizens to come up with a plan for the development of our Coast. Most people don't want our beautiful coastline to end up looking like Gulf Shores or those terribly overdeveloped areas of Florida. If this Board of Supervisors won't listen to the wishes of the people who elected them, I guess it is time for us to start thinking about voting in a new board who are there to represent us, instead of out of state developers who are looking to get rich at our expense.

DuPont -- company ordered to pay

sion. Nine days of hard testimony had ended late Thursday with the Strong's and their daughter testifying that day.

DuPont DeLisle rested their case on Thursday also, without calling even one witness. Nine of their key witnesses had been excluded from the trial by Judge Landrum and again by the Mississippi Supreme Court, but five expert witnesses remained to be called. Spokesperson Mary Kate Campbell said at the time that DuPont felt the plaintiffs had failed to prove their case.

Campbell said on Friday that the company "will absolutely appeal this decision."

"We are obviously very disappointed in this decision," Campbell said. Unfortunately, the jury heard only one side of the story. When the court struck nine of our witnesses prior to trial, the jury was prevented from hearing from the real scientists who would have proven that DuPont was not responsible for Mr. Strong's illness. Even the plaintiff's own physician testified that there is no known cause of multiple myeloma."

In the end, the fact that the cause for multiple myeloma -- a malignancy of the blood cells -- was still unproven was one of the factors that helped turn the case in the Strong's favor.

Throughout the trial, DuPont attorneys continued to present their opinion that Strong's cancer was caused by his past smoking, not toxins from the plant. In closing arguments, they brought in bags of cigarettes to illustrate to the jury the amount Strong had smoked in a five year period. DuPont attorney Debbie Kuchler told jurors that Strong's smoking was responsible for his own cancer and dioxin count.

"He has been pulling it in to his own mouth and sucking it into his own lungs," said Kuchler.

In his rebuttal, plaintiff's attorney Al Stewart told the jury that DuPont had said in opening statements that there is no known cause for multiple myeloma, yet they continued to try to tie it to smoking.

"How come all the other people in the neighborhood and in Mr. Strong's zip code have elevated dioxin levels," said Stewart. "Are they smokers too? You could

stack cigarettes all the way to the sky and you wouldn't get as much (dioxin) as this plant puts out in a day. DuPont is in denial."

"The verdict does not change the fact that DuPont is entitled to a fair trial in the State of Mississippi," said Campbell. "The court erred in excluding nine of our witnesses from testifying, in permitting the plaintiffs' purported experts to testify without the preliminary examination under Mississippi law and in allowing them to testify about matters that are far outside their fields. There is no connection between our operations and any ill health effects alleged by the plaintiff. The safety and health of our employees, our neighbors and our community is our most important priority. This verdict does not change our legal strategy and will continue to vigorously defend these lawsuits."

Five former plant employees testified at the trial. Timothy Moran Sr. told the jury about mountains of coke and ore dust 70 to 80 feet high. When it rained heavy the waste flowed into the Bay, he said. He worked moving the piles

of waste with no protective clothing. No one told him he needed it, he said.

"The north wind would catch it and blow everything south," Moran said. "If you were driving down the road you couldn't see anything."

No one ever told him that the coke and ore dust contained cancer causing material, he said.

"I would have liked to have known," Moran said.

Moran and two other employees told the jury that inspections by governmental agencies or by the company's home office were announced ahead of time, even those that were supposed to be without notice.

"We were never surprised about an inspection," Moran said.

Victor Hawkins told jurors about the near brushfires with disaster that he had had when handling maintenance operations gone wrong or when there was a release or a spill, once being almost covered in "tickles," a caustic substance that is a by-product of the manufacturing process. He was connected to a 48 foot line to an oxygen dispenser, Hawkins said.

"They had the 48 foot rule," said Hawkins. "If you

had to run you were only going to make it 48 feet."

Former DuPont chemical engineer Glen Evers told jurors that the company knew of the link between dioxins and cancer by 1983 and that dioxins were produced in the manufacturing process by 1989, when they began a campaign to sell hydrogen peroxide as a replacement for chlorine in the manufacturing process in paper mills.

The company discovered that the TiO2 (titanium dioxide) process created 10,000 times the number of dioxins as the paper process, Evers said. As early as 1975, the company had seen literature indicating that dioxins were a possible by-product of the titanium dioxide process, he said. When Evers discovered the problem, he said he was unable to sleep at night.

"The company delayed telling employees," said Evers. "When selling to the paper companies they spoke of dioxin production as enormous, when speaking about the TiO2 process they spoke of it as trace amounts."

Research toxicologist David Warheit told jurors

that the company had scientific and medical evidence on the hazards of the titanium dioxide process before opening the DeLisle plant.

The company's own toxicologist Leigh Ann Belcher told jurors that the DuPont does not believe that dioxins cause cancer in humans -- that the evidence is not strong enough. Belcher said she could not name one governmental agency that agreed with the company on that point.

Belcher admitted that the company had seen all the literature linking dioxins with cancers in humans and linking ill health effects to consumption of contaminated seafood. By 1983 the company learned that dioxins were in the soil at the DeLisle site, she said.

However, Belcher said, "based on our epidemiology DuPont does not believe that dioxin causes cancer in people."

Adams said that decision will be made by the State's Gaming Commission.

It was also reported that folks with RVs, boats, trailers, etc. can park them at the extreme east side of the county's Equine Center on the Kiln-DeLisle Road.

It was also announced that St. Clare School will be closed at least on Monday and Tuesday.

A meeting was held at 11 a.m. Saturday for American Medical Response, Department of Health Services, Medical officials, City and County School officials and Senior Citizens to discuss shelters and special needs facilities.

At noon Saturday, Hancock County Board of Supervisors, along with the leaders of the Cities of Bay St. Louis and Waveland met to discuss plans of action necessary for the approach-

ing storm.

Hancock EMA staff was busy answering telephone calls from inquiring citi-

zens, many wanting to know what they need to do.

Some inquiring as to where they could get sand

bags.

Sand bags and sand are available behind Hancock Civic Center, West Hancock Fire Department, Pearllington, Bayside Volunteer Fire Department, Bayside, and Diamondhead East Recreation, Diamondhead. Residents are asked to bring their own shovels.

Early on Saturday, EMA was advising residents of low-lying areas to take precautions and put away everything that could become a missile. They also need to be prepared to evacuate if an order is given, Adam said.

If an order is given for the evacuation of low areas, it will also include mobile and modular homes, according to Adam. He also said any object which can be lifted by a strong wind should be stored or tied down.

Band -- back on track

Continued from Page 1A

Kopf said on Friday, that was never the case.

"Things have been misquoted and misunderstood ..." Kopf said. "The band program was never under the athletic program."

The controversy reached critical mass on July 28, when the band clinic was abruptly ended a day early. Angry parents instantly rose to the defense of widely respected band director Anthony McWright, sending a barrage of letters and comments to school board members and the Sea Coast

Echo.

At the time that Hancock Principal Donnie Gholston put the band program under the aegis of district Athletic Director Walt Esslinger's responsibilities, Kopf said, it was merely a matter of "administrative streamlining."

Esslinger also serves as the district Mississippi High School Activities Association director, an office which oversees most extracurricular activities, such as the football, baseball, basketball and golf

programs, cheerleading, powerlifting, speech and debate, and all band and choral programs.

Esslinger does not directly supervise all of those programs, Kopf said, but is responsible for reporting to the MHSAA and ensuring that "all the i's are dotted and the t's are crossed."

The Hancock County School Board put the matter to rest in a special meeting on Thursday.

"The band program is on its own," school board member Peggy Ladner said on

Friday. "It has been removed from under the athletic department ... and all supplemental positions have been approved."

Ladner said that "the board took action on Aug. 9, 2001, and moved the band department from under the (supervision of) athletic director."

On Thursday, the board unanimously voted to adhere to that policy, which cannot be changed without board approval, Ladner said.

Jackson Hewitt® Income Tax Course Starts Soon Enroll and learn how to prepare income tax returns!

"I signed up for the Jackson Hewitt Income Tax Course thinking maybe I could do my own taxes and save myself some money. I was so impressed with the course material and the tax knowledge of the instructors, I went on to become a tax preparer working for Jackson Hewitt Tax Service!" Said Julius Wright.

Julius is one of thousands of students who enroll in the Jackson Hewitt Tax Service® Income Tax Course, or ITC, a six-week program offered each fall in Jackson Hewitt Tax Service offices nationwide. This instructor led course is ideal for students who enjoy learning in a classroom environment. While the course provides students with the basics of individual tax preparation, it's the review of tax industry insights, "hidden" deductions and underutilized tax advantages that make the course truly valuable.

"The Jackson Hewitt Income Tax Course

gives you a better advantage... when you file your taxes because you learn about all the credits and deductions available to you," said Vanessa Wilson.

Ms. Wilson signed up for the Jackson Hewitt ITC when she was 17 years old, hoping to learn how to prepare her own taxes as she entered the work force for the first time. She did so well in the program that she decided to apply for a job as a Jackson Hewitt tax preparer.

The ITC is a 6-week program that meets for two three-hour sessions. Trained tax professionals lead each class and apply adult learning theories to teach participants how to complete the forms and schedules necessary to file an income tax return.

Tami Dowdle was very impressed with Jackson Hewitt's instructors whom she credits with being completely up to date on all the

latest tax laws. According to Tami, the Jackson Hewitt Income Tax Course provides participants with an "understanding of taxes that works whether you're a professional or a homemaker."

The Jackson Hewitt Income Tax Course has helped college students, military spouses, stay-at-home parents, retirees and many others acquire the tax knowledge necessary to prepare tax returns for themselves, their family and friends. Many even start a new career as Jackson Hewitt tax preparer.

For more information, please call 228-463-1040, or visit us online at www.jackson-hewitt.com.

"Completion of this course is neither an offer nor a guarantee of employment. Additional training or experience may be required. Most offices are independently owned and operated."

SSC steals 20-12 win over Wilkinson County

BY JOSEPH W. GEX II
Staff Writer

It may not have been a pretty win, but it was a win, nevertheless. The St. Stanislaus Rock-a-chaws (1-0) pulled out the victory 20-12 over the visiting Wilkinson County Wildcats (0-1) on Friday night in between the walls.

Senior tailback Josh Duplessis was simply a workhorse on the offensive side of the ball for SSC gaining 245 all-purpose yards. He had 170 yards rushing on 21 carries and 75 yards on two catches. He scored twice in the game - a 6-yard run and a 56-yard reception.

SSC head coach Casey Wittmann stated, "This was a very physical team and I am not sure if we were prepared for how physical they were. They had two backs that weighed over 220 pounds and two linemen that went 330 pounds or better. Josh Duplessis was a true workhorse on offense for us while Josh Morgan had a solid game going both ways. Defensively, we had several people step up and play hard for us in Brennan Gordon, Mike Deifik and J.C. Brignone among others. There were a lot of first game mistakes so we need to get back to the drawing board and get them corrected."

The Rocks started out on offense and got a 28-yard gain from Duplessis on the second play; however, the drive ended quickly with consecutive sacks by Shelton Woods and Lekendrick McDonald.

The Wildcats took over on their own 42 yardline and put together a 14-play drive that ended with the game's first score.

Leroyal Lanus, a 225-lb running back, pounded the ball up the middle for gains of 3, 4, 5 and 9 yards before he crossed the goaline on a 3-yard carry with 3:21 left in the first quarter. The 2-point conversion was stopped by Gordon and Dusty Hoffpauir to keep the score at 6-0.

Eric Lichenstein took the kickoff back to the Rock 46 yardline. It took SSC just

The 2005 St. Stanislaus Rock-a-chaws Football Team

three plays to get in the endzone. Duplessis touched the ball on each play of the drive. He carried twice for minimal gains before Lance Cuevas connected with him on a 56-yard scoring strike. Bryce Morreale connected on the PAT and with 1:36 left in the opening quarter the score was 7-6.

The Wildcats took over at their own 42 yardline following the kickoff. Byron Jones scampered 37 yards and first down on the third play before he was wrestled down by Lichenstein and Josh Morgan.

Jones carried twice more but was stuffed by Gordon, Brignone, Deifik and Caleb McQueen. David Dawson went to the air two plays later and connected with Jalentrick Turner for a 28-yard scoring toss with 10:41 left in the first half. The two-point conversion pass fell incomplete and the score remained 12-7.

Following the ensuing kickoff, the Rocks took over at their own 40 yardline. Duplessis carried twice for six yards before Cuevas hooked up with Josh Morgan for a gain of 37 yards and a first down. Duplessis picked up 5 yards and Cuevas hit Sylvester Twiggs for an 8-yard gain and a first down.

Duplessis gains 9 yards on his next carry; however, a holding penalty killed the momentum. SSC attempted a 37-yard field goal that sailed wide left and the score remained 12-7 with 4:39 left.

Zach Elkins, Deifik, Brignone and Gordon kept the Wildcats in check and forced a punting situation on the next series. The deep snap sailed over the head of the Wildcat punter and SSC took over at the Wilkinson County six yardline.

Duplessis scored from six yards on the first play of the drive with 2:37 left in the half. Morreale's PAT missed leaving the score 13-12.

With a new found energy, the SSC defense forced the Wildcats to three and out led by Chad Boos, Elkins and Gordon and a timely personal foul penalty by the Wildcats.

A second bad snap got away from the Wildcat punter allowing Grant West to pick up the loose ball and rumble into the endzone from 28 yards out with :34 seconds left before halftime. Morreale connected on the PAT to make the final score of 20-12.

In the second half, neither team touched the endzone. The SSC defense stiffened on the Wildcats' first possession led by Gordon, West and Brignone.

Duplessis had consecutive eight-yard gains before the Rocks threw an interception in Wilkinson County territory.

The two teams traded possessions twice before SSC put together a nine-play drive late in the fourth quarter. Duplessis ripped off runs of 9, 20 and 44 yards and had a 19-yard reception before a missed field goal from 37 yards out

ended the drive.

Wilkinson County went to the air on their last drive of the game and Josh Morgan laid out for a one-handed interception to seal the game with 1:47 left to play.

Morgan spelled Duplessis and gained 20 yards on two carries followed by a 7-yard gain by David Grapusa as the Rocks were running out the clock. Duplessis ripped off a 14-yard gain to run the time off and seal the win for SSC.

Defensively, the Rocks were led by Brennan Gordon's 15-tackle performance. The Rocks gave up 192 yards of total offense with Lanus leading the way with 62 yards on 15 carries.

The Rocks travel to Milner Stadium in Gulfport next Friday to take on the Admirals who lost to Oak

Grove Friday night. Scoring press time. Kickoff at details from Gulfport's Milner Stadium is set for 7 game were not available at p.m. on Sept. 2.

Bay bashes Biloxi; OLA's Crescents sweep Oak Grove

BY JOSEPH W. GEX II
Staff Writer

The Bay High Lady Tigers finally played their first home volleyball match on Thursday, August 18. The Lady Tigers (4-1) defeated the Lady Indians of Biloxi 25-13, 25-14 and 25-13 to sweep the match.

Bay High head coach Gina Pepperman stated, "We are not there yet but we are working very hard to get to where we need to be. There are still some adjustments being made but I was pleased with the performance on the court tonight."

The Lady Tigers were not threatened in any of the three games. Bay High assistant coach Debbie Adams commented, "There are a lot of players contributing to our success right now."

"The offense is coming around but not where we want it to be. Tamara Reed is taking control and running the floor. Lindsay Trotter is passing well while Jessica Johnson and Hannah Johnson hit the ball well tonight. Destiny Flood hit it hard from the outside."

Flood and Reed led the Lady Tigers with 6 kills each while Hannah Johnson and Jessica Johnson each added 5 kills. Reed finished the game with 20 assists.

The OLA Crescents (6-0) hit the road to Hattiesburg

on Thursday to tangle with the Lady Warriors. OLA won the match 25-12, 25-17 and 25-18. Rachel Cuevas paced the team with 12 points followed by Amanda Meyers with 11 points. Sarah Loiacano led OLA with 26 assists while Lindsay Benvenutti manned the net with 6 kills.

In junior varsity action, OLA (4-0) defeated Oak Grove 25-12 and 25-15. Ansley Blalock led the team with 9 assists while Jaimie Reisch led all scorers with 16 points. Lauren Poncet was tops at the net with 5 kills.

OLA hosted the Gulf Coast Kickoff Classic at the Father Peter Mockler Gymnasium on Friday and Saturday. A full tournament report will be available for Thursday's edition.

Tigers' speed is too much for Hawks

BY DWAYNE BREMER
Contributing Writer

Friday night's highly anticipated match-up between cross-county rivals Hancock and Bay High was filled with excitement and action from the beginning. The game was closely fought early, but quickly evolved into a showcase for the young speedy Bay High Tigers.

"We got off to a fast start, and we made some big plays. I was a little disappointed with some penalties in the first half, but overall, I thought we played really well," said Tigers head coach Brennan Compretta Friday.

The game opened with a bang, as Theo Hawkins took the opening kickoff, and exploded up the center of the field for an 84-yard kickoff return touchdown.

The play was nullified by a clipping penalty, and the Tigers settled for the ball at the 41. The Hawks defense made an early statement, as they forced a Tigers punt. Brently Necaie knifed through and stopped Robert Labat for a six-yard loss, and Chase McIver stopped Tony Connetti on the next play. The Hawks would take over at the 23, after a 33-yard punt by Kyle Moran.

The Tigers defense stuffed the Hawks on the first three plays. Destin Johnson, Cory Thornton, Teddy Morris, and Walter Fox, combined to limit the Hawks two only two yards, and forced a Hawk punt.

After a 17-yard return by Hawkins, the Tigers took over at the Hawks 38. Two plays later Connetti busted loose for a 33-yard rumble, and a first and goal.

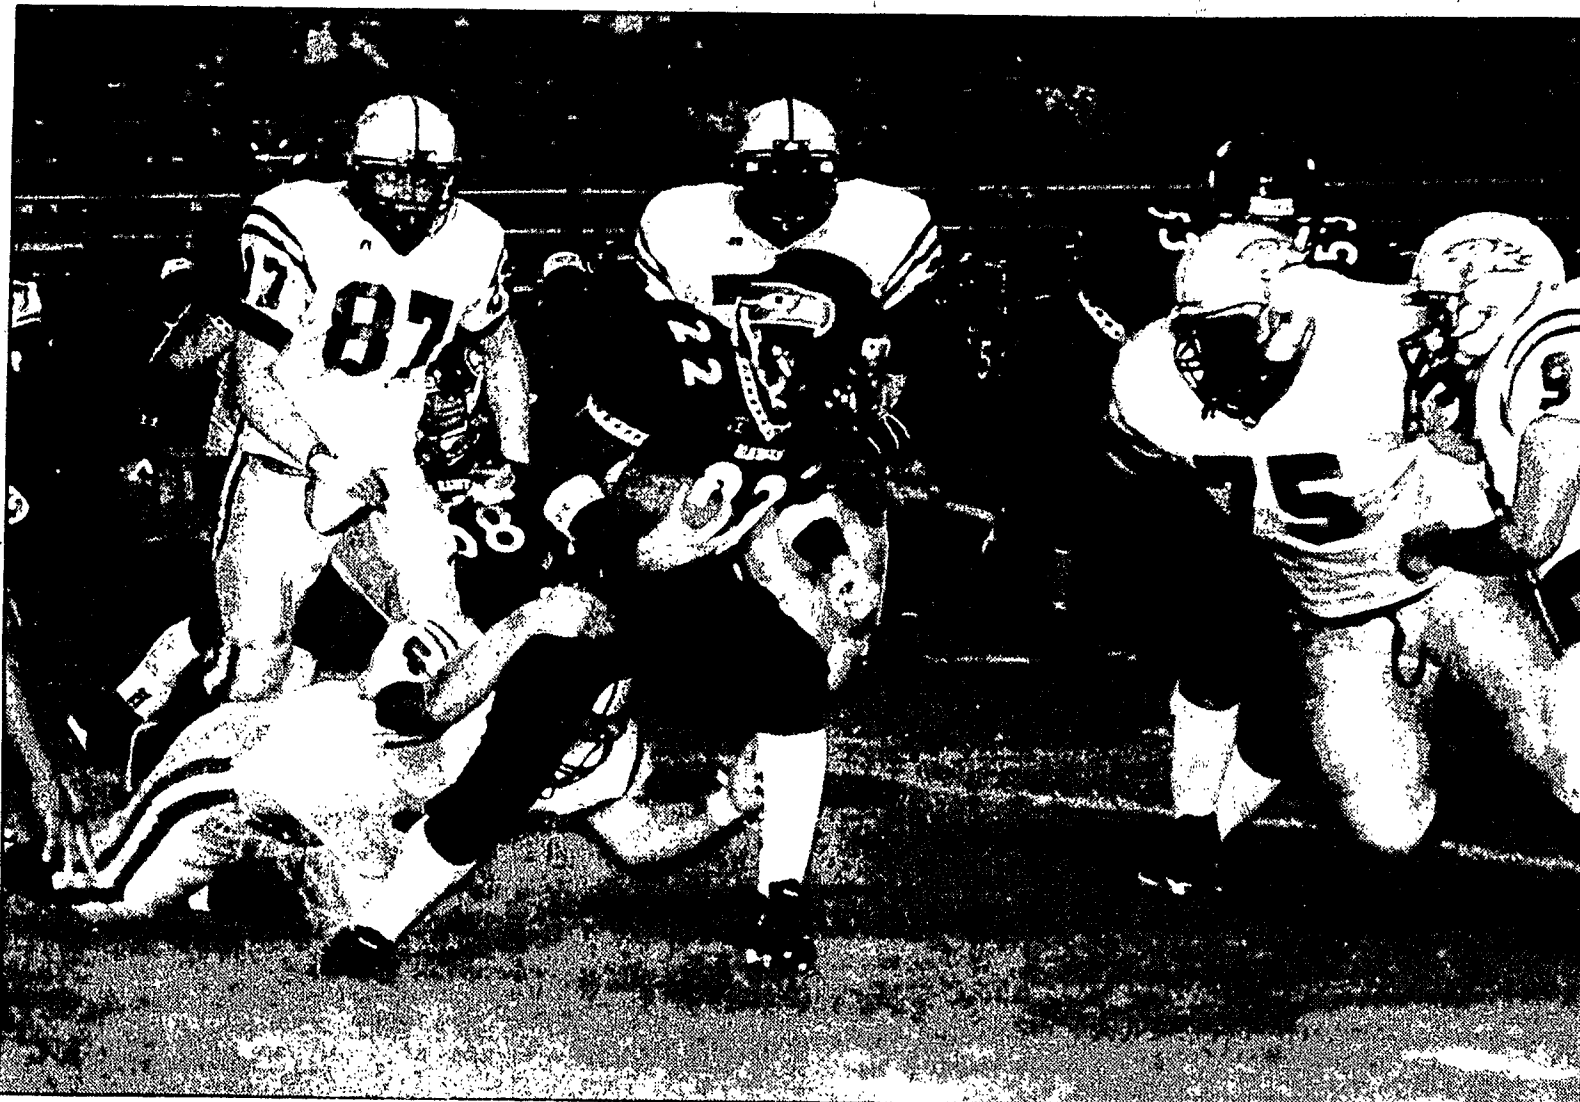

Kyle Moran converted on the next play for a six-yard score, and the Tigers had drawn first blood. Moran booted the point after, and the Tigers led 7-0, with 7:22 to play in the first.

After trading possessions, the Hawks took over at the 46. The Hawks got the offense going, as Braxton Necaie hit Mark Fairley with a 48-yard strike, moving the ball all the way to the Tigers' two. Necaie took care of the rest, as he converted a two-yard sneak on the next play. After the extra point by Tim Schaffer, the game was tied 7-7, with 2:39 to play in the first.

The next five minutes of the game were the critical period in which the Tigers seized control and momentum. After the Hawks' kickoff, the Tigers picked up a first down after a ten-yard scramble by quarterback Tyler Brush.

Two plays later, Brush hit Labat over the middle and Labat was off to the races for a 59-yard touchdown. Moran added the point after, and the Tigers were back in front 14-7, with 1:16 to go in the first.

The Hawks appeared to have picked up a first down on the next series, but a

Hancock High School's Mark Fairley (22), in the grip of Bay High's Kyle Moran (5) is swarmed by more Tiger defenders, Travis Leahy (87), Walter Fox (77), Kalleem Perkins (75) and Trevor Adam (9). Bay High defeated Hancock 30-14.

questionable spot left the Hawks just inches short, as the first quarter expired. Facing a fourth and an inch at the 42, the Hawks decided to punt.

After a 32-yard punt the Tigers took over at the 26.

The Tigers made the Hawks pay quickly, as Connetti busted loose again, this time for a 74-yard touchdown dash. Moran's point, after made the score 21-7, with 11:49 to play in the second quarter.

After the game, Hawks head coach Walt Esslinger explained his decision to punt.

"I thought that we were playing well on defense. I did not want things to snowball on us. They just made the plays and we didn't in the first half," Esslinger said.

The Tigers got another boost from their defense a few plays later. After a Necaie-to-Andrew Smith pass netted 15-yards, the Hawks had moved into Tiger territory at the 35. On the next play, Destin Johnson forced a fumble by Necaie and Johnson recovered the ball at the 46.

The Tigers moved the ball nicely into Hawk territory behind a run of nine yards by Hawkins, and a ten yard-scramble by Brush. Hawkins then broke off a 27-yard run, and the Tigers had a first down at the Hawks ten. The Hawks defense stiffened, to hold the Tigers out of the end-zone. Joseph Necaie and Brently Necaie stopped a run for no gain, and Andrew Smith has a big sack of Brush to force a field goal attempt. The 28-yard attempt by Moran was no good, and with 5:18 to play in the half, the Hawks took over at the 20.

The Hawks attempted to

put together a drive before the end of the half, but sacks by Cory Thornton and Travis Leahy ended the Hawks hopes. The half ended 21-7.

The Hawks took the second half kickoff, and attempted a quick strike.

Necaie floated a pass over the middle, but Labat intercepted the ball at the 50.

Good defense by the Hawks forced a Tiger punt, as Colin Miller, and McIver made big stops for the Hawks. The Tigers got an excellent punt from Moran, as the 32-yard kick rolled dead at the Hawks two-yard line.

The Tigers defense rose up to the occasion, as Necaie fumbled a snap and Brandon Lafontaine and Thornton tackled Necaie in the endzone for a safety.

The score was now 23-7 with 7:21 to play in the third.

The Tigers got an 18-yard return from Labat to set up at the Hawks 43, after the kickoff. The Tigers got a 7-yard run from Jeremy Bell, and an 18-yard gallop from Tal Robeteau to get a first and goal at the Hawks nine.

Hawkins scored on the next play from nine yards. Moran's extra point gave the Tigers a comfortable 30-7 lead with 6:07 to play in the third.

The Hawks took over at the 17, after the kickoff, and the Hawks put together a nice drive to pick up 52 yards. Mark Fairley collected runs of 9, 5, 14, and 4. Smith chipped away with runs of 5, 8, and three. Necaie. The drive stalled after a penalty, and on a fourth and six at the Tigers 25, Necaie's pass to Fairley was incomplete in the end-zone, the Tigers took over with 10:59 to play in the

game.

After a first down run from Bell, the Hawks got the ball back as Brently Necaie recovered a fumble at the 45.

Braxton Necaie connected with Drew Malley for two completions of seven and 12

yards, and Andrew Smith blasted in an 18-yard touchdown run, at the 6:04 mark. The extra point by Schaffer made the score 30-14.

The Hawks got the ball back with one final chance, but an interception by Labat ended the Hawks

comeback hopes.

The Tigers racked up 255 yards rushing on 38 attempts. "We felt like we were underestimated coming into the game. I think we showed everyone what we can do," said Robert Labat.

"We played well as a team, and the blockers did a good job, to help our speedy guys out," Theo Hawkins stated.

The Hawks only managed 110 yards on 36 carries, and 82 yards in the air.

Andrew Smith collected 50 yards on ten carries.

Tony Connetti rushed for 125 yards on 8 carries for the Tigers, before playing only defense in the second half. "We played Tony on defense due to an injury. I feel like I have three good backs, so we have a lot of depth there," Compretta said.

On defense, Brently Necaie had an excellent game for the Hawks with 15 tackles, and five tackles for a loss. McIver tallied seven tackles, and Kevin Lafontaine had five stops.

For the Tigers, Trevor Adam made 11 stops, and Cory Thornton was not far behind with ten tackles. Destin Johnson had six tackles including three for a loss.

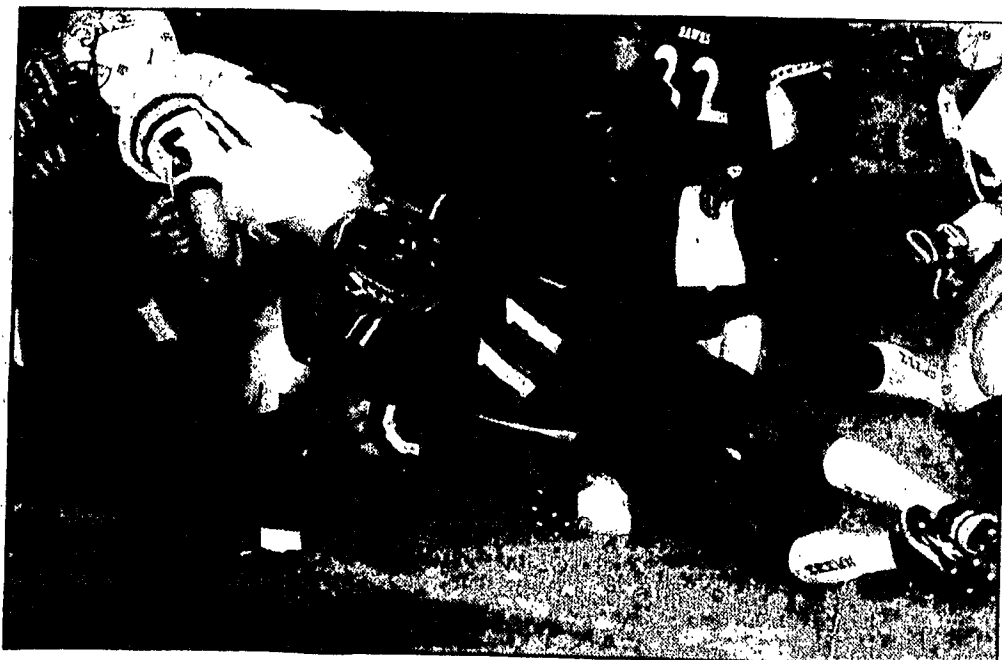

The Hawks will be back in action next week, against Pass Christian, and the Tigers will take on D'Iberville.

NOTICE OF TAX INCREASE - CITY OF BAY ST. LOUIS

The City of Bay St. Louis has proposed to increase its property tax revenue on all classes of property described in Section 112, Mississippi Constitution of 1890, by 12.68 percent (2.25 mills), and to decrease its total budget by 1.00 percent.

All concerned citizens are invited to attend a public hearing on the tax increase and budget to be held on Wednesday, September 7, 2005, at 5:30 P.M. at the City Hall Annex, 111 Court Street.

A final decision on the proposed tax increase and budget will be made at a special meeting of the Bay St. Louis City Council on Wednesday, September 14, 2005, at 5:30 P.M. at the City Hall Annex, 111 Court Street.

Bay High Kyle Moran (5) scored the Tigers' first touchdown of the season against Hancock High School dragging Hawk's Larry Breech (11) across the goal line with him.

Pass Pirates are back to their winning ways

BY STEVE SMITH

Contributing Writer

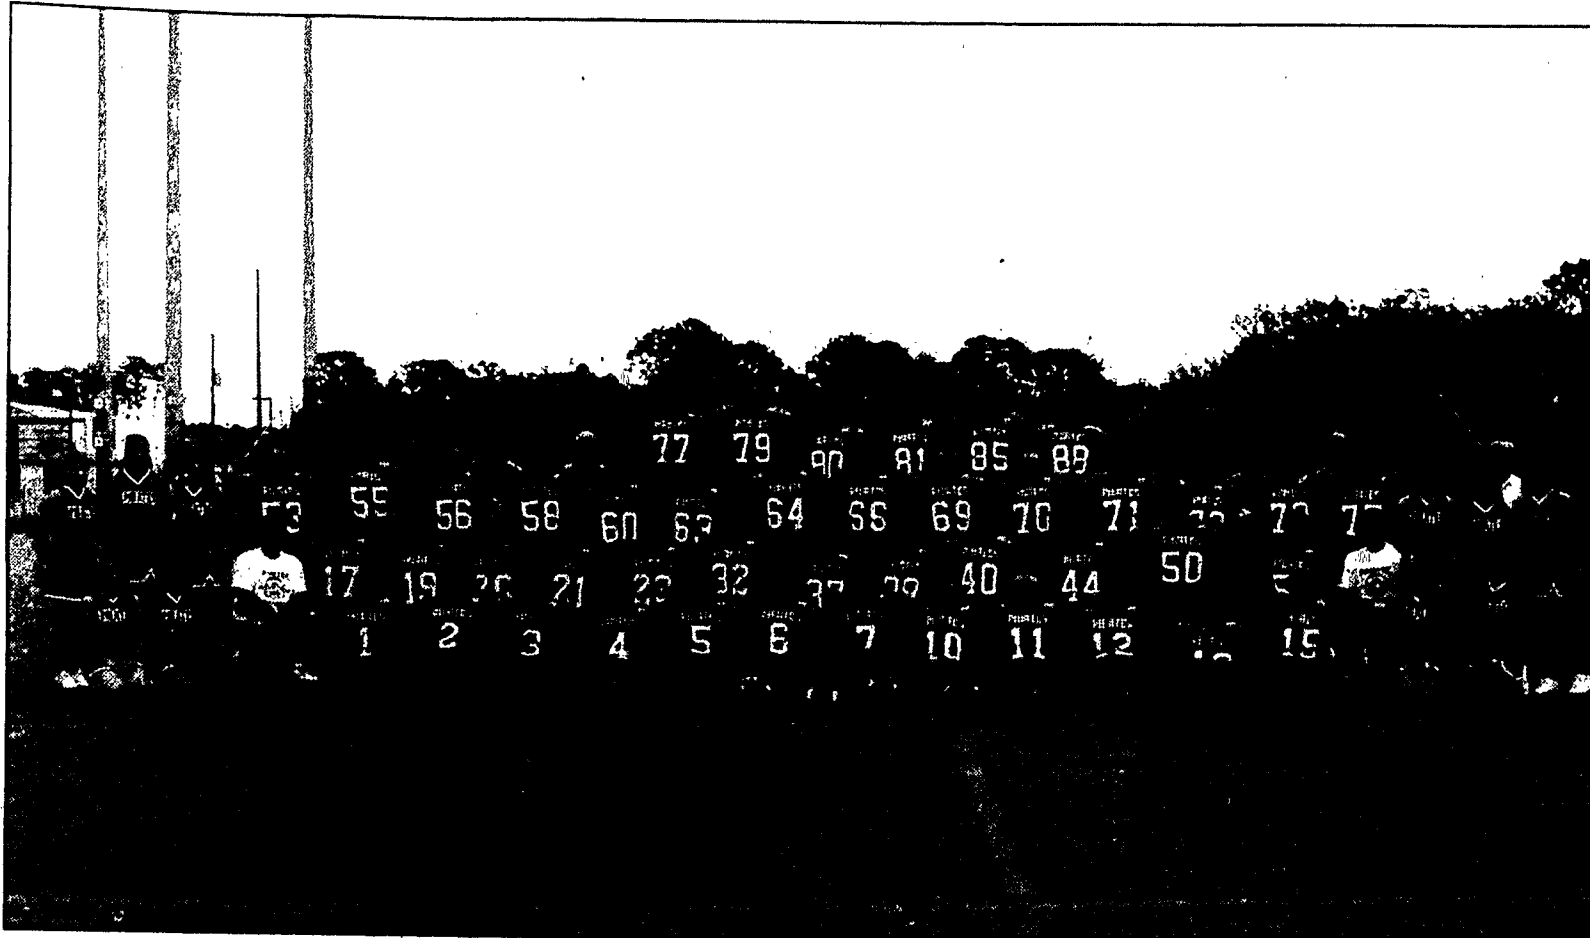

The Pass Christian Pirates enjoyed a successful season opener Friday night, downing the Florence Eagles 34 to 26, to the obvious delight of the many supporters who made the trip. Showing good speed and power, the Pirates took the lead early with two forty-plus touchdown runs by Jaren Bowser and a 28 yarder by Shane Bowser.

Coach Causey commented, "We were very happy with the way our team performed and it's always good to open with a win."

Pass led 20 to 6 by the end of the first quarter and held that lead until the Eagles mounted a nine play, 45 yard drive sparked by quarterback Donald Garrett, who scored a touchdown on a quarterback draw with 0:28 remaining in the first half.

A two point conversion attempt failed and the half-time score was Pirates 20, Eagles 12.

The Pirates received the second half kickoff and made little headway before

The 2005 Pass High School Pirates Football Team

fumbling, giving the Eagles a first down at the Pass 31-yardline. Altogether the Pirates lost three fumbles, which was one of the few low spots of an overall outstanding effort.

"We made some mistakes but were fortunate to be able to overcome them," Coach Causey said in an after-game interview.

The Eagles wasted no time capitalizing on that

turnover, Garrett scored on a 31 yard run with 9:38 to play in the third, brring the Eagles within two points at 20 to 18. That's as close as they would get.

The Pirates came roaring

back with a five play, 51 yard drive capped by Jaren Bowers 35 yard touchdown run. Jonathan Willis kicked the PAT ant the Pirates led 27 to 18.

The Eagles returned the

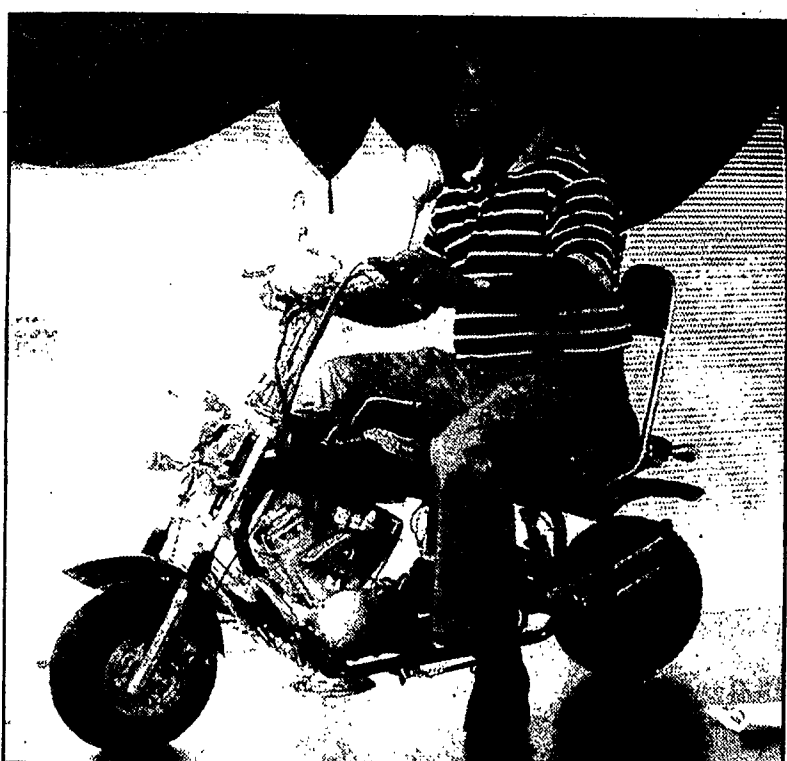

kickoff to the 35 yard-line and moved up-field in short order. Facing a third and 13 from the Pirate 15, Jonathan Willis broke up a pass play that forced a field goal attempt, which failed.

Starting from their twenty, the Pirates ground out an eighty yard drive in nine plays, scoring on a shuffle pass from Chad Moore to Jaren Bowser with 7:24 left in the 4th quarter. Willis' PAT kick was good and the Pirates led, 34 to 18.

The Eagles managed another touchdown in the closing minutes, and a two point conversion which brought the final score to 34 to 26. Jaren Bowser had four touchdowns for the evening on 183 yards. Pirate total offense amounted to 328 yards.

Coach Causey spoke of the effort, "Jaren is the guy we kind of hang our hat on, but there are many others, Chad Moore, Shane Bowser, Aaron Saucier, Brandon Riley, Jonathan Willis- that contribute at a very high level."

The Pirates travel to Hancock High next Friday in the District opener for PassHigh

PRCC soccer season opens on the road

THE SEA COAST ECHO

Pearl River Community College's men's and women's soccer teams kick off the 2005 fall season Saturday with road games at East Mississippi Community College.

The Wildcats then return home next Wednesday to battle Itawamba Community College in the first of five straight home matches. The women's match begins at 1 p.m.; the men's match at 3 p.m.

"I am really optimistic about both of our soccer teams," said head coach Patrick Hayes, who is beginning his second season.

Last year, the Lady Wildcats were 8-4-2 and the Wildcats were 10-5-1. Both

teams qualified for the state and regional playoffs.

The Lady Wildcats feature three returning players and 15 freshmen. The returnees include Erin Holder and Brandi Re of Oak Grove and Jennifer Vital of Pearl River Central. Holder made the all-region team last year.

"We've brought in a strong recruiting class on the women's side," said Hayes.

"They are very experienced and they have a lot of skill. Five of those players are from Oak Grove High School, which is a perennial power in high school soccer. Even though we will be young, I feel confident we should have a successful

season."

Part of that success might be attributed to the out-of-district players on the Lady Wildcat roster. They include Haadi Likely of Gautier, Mandy Walker of Florence, Emily Van Landingham of North Pike and Amanda Melville of Gulfport.

"Haadi was a four-time all-state player and Van Landingham played in the all-star game," said Hayes. "We have really focused on getting the top players in our district, then looked for other players who can help us compete with the upper echelon in the state."

Some other women's players Hayes mentioned as leaders for this team are Brittney Parks of Pearl River Central, and Jessica Boehmer and Kasey Hendry of Oak Grove. Melville and Kristy McCain of Vicksburg are the goal keepers.

Five players return to lead the PRCC men's team, including Jonathan Rawls of Hattiesburg, Matt

Westover of Biloxi, Shawn Moran of Bay High, and Kent Beningo and Jason Noffke of Oak Grove.

"I expect those guys to really be the leaders of the team," said Hayes. "All five of them are strong soccer players who should have an impact on our success."

Hayes also says look for transfers Michael Kivlan of St. Stanislaus and Buddy Irias of Abilene, Texas, to be big contributors, as well as Zach Crawford of Oak Grove.

"Kivlan will be like a quarterback on the field for us," said Hayes. "Irias is a natural attacker."

Goal keepers for the men are Brett Hoda of Petal and Tyler Ivy of Oak Grove.

Hayes expects the South Division of the MACJC to be strong again this year. "Meridian, Gulf Coast and Jones will be strong again," he said.

"It will be a battle because there is no clear-cut favorites." Assisting Hayes this year is Chad Hampton.

Business owner sues Hancock Water & Sewer board members

BY GEOFF BELCHER
News Editor

A Bayside Park business owner has filed suit in Hancock Justice Court against members of the Hancock Water and Sewer Board, claiming he has been unfairly treated and "price gouged."

Jonathon Davis, owner of the Davis Family Grocery, filed individual actions against board members Alfred Smith, G.W. Graham,

Bob Fricke, Herman Johnson and Sidney Davis.

Jonathon Davis said Wednesday that his business, which is located in the building formerly known as the Bayside Park Clubhouse, is being unfairly charged excessive monthly fees; that he is being charged for a grinder when other homeowners and business owners in the area were not; and that when he subtil some of the space in

the building to another business owner, he was charged an additional \$55 per month for that business, even though it has no running water in the portion of the building it is using.

Even though he is being charged roughly what is called for in the statutes, he said, other business owners in the area are being charged less.

"It's all in who you are and who you know," Davis

said. Davis is asking the court for \$2,499 from each board member. In addition, he has asked for a jury trial and a change of venue.

The matter has not yet been scheduled for trial.

A civil suit details only the plaintiff's side of a dispute. Hancock Water and Sewer Board members have not yet had an opportunity to respond in court to Davis's action, which was filed on Wednesday.

Diamondhead robbery suspects nabbed

BY ELLIS C. CUEVAS
Publisher Emeritus

Two Picayune residents were arrested and charged with the alleged burglary of a Diamondhead residence Thursday night, Hancock Chief Investigator Kenny Hurt reports.

Investigator Andre Fizer said, "Billy Brewer, 20 and Tiffany Bond, 17, both of Picayune were arrested for the alleged burglar of a Diamondhead residence."

"Around 10 p.m. Thursday, a home owner arrived home to see a light

on in his home and as he went in one door, he saw two subjects flee out another door. He did get a description of their vehicle," Fizer reported.

Fizer continued, "Responding to the call on the Kiln-DeLisle Road, Deputy Paul Fernandez noticed a vehicle traveling the opposite direction that fit the BOLO (be on Look out) description of the vehicle. He turned around and stopped the vehicle."

The suspects had fled the residence with a 9 mm

semi-automatic pistol and a check book which were recovered.

Both suspects were lodged in the Hancock County Criminal Justice Facility in lieu of a \$10,000 bond each.

Fernandez was assisted by Deputies Stacey Wilson and Kyle Malley.

Both Hurt and Fizer offered praises for Fernandez in being alert and identifying the suspects vehicle, especially since it was traveling an opposite direction at night.

Lee has a bachelor's degree in accounting and business administration from Lincoln University in Missouri and a master's degree in Education Administration from William Carey College.

WIA provides new job skills or improves on existing skills through approved training programs at the college. WIA helps to pay for the tuition and books that students will need to complete a one or two-year pro-

gram, such as Surgical Technology, Dental Hygiene, Practical Nursing, Welding, Heating and Air Conditioning, Barbering, Computer Networking, Drafting, Respiratory Care Technology, and Electrical Technology.

Lee began at PRCC this June and is excited about working here. "I really like it here. This job has a lot of variety, and I think my background in teaching and business are a perfect combination for this job. I was thrilled to see forty-six students who received assistance from the WIA office graduate this summer."

According to Miriam Manaway, a widow with four grown children and five grandchildren, WIA enabled her to begin a new career.

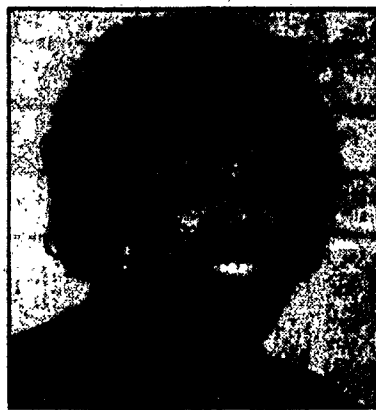

"I completed the Licensed Practical Nurse program at the Pearl River

Community College Hattiesburg and graduated this summer," said Manaway. I had worked at the public schools as an assistant and then as a secretary for 10 years, but that wasn't what I wanted to do. I wanted to work where I could really help people.

I had to quit my job to go back to school, and I knew juggling home and school would be a financial burden, so WIA was a tremendous help.

"People who are interested in returning to school can contact me," said Lee. "I'll tell them what they need to do to get the process started."

To participate in WIA, participants must be accepted into the school before their application will be considered. Participants must also report their progress to the PRCC WIA

Bond funds available for potential home buyers

Mississippi Home Corporation (MHC), the state's housing finance authority, has \$18.4 million in mortgage loan funds under its Mortgage Revenue Bond (MRB) Program available for first-time homebuyers. Out of the \$18.4 million, \$11.1 million is available for potential home buyers in non-target areas of the state, whereas \$7.3 million is available for potential home buyers in targeted areas of the state.

The mortgages will carry an interest rate of 5.760 percent and will provide Mississippi working families with a 3 percent cash advance to assist with loan down payment and closing costs.

Persons interested in the MRB program should contact a participating lender of the MRB program.

For more information call MHC at 601.718.INFO (4636).

Special oyster season to open

THE SEA COAST ECHO
The opening date of the partial 2005-2006 Mississippi Special Oyster Season has been announced by the Mississippi Department of Marine Resources (DMR).

The following areas will open Wednesday, September 7 at legal sunrise for the harvest of oysters:

Area I "B" Conditionally Approved Waters, which includes St. Joseph's or "St. Joe" Reef;

Area II "B" Conditionally Approved Waters, east of Longitude 89° 24.000' which includes Waveland and St. Stanislaus reefs (tonging areas only);

Area II "D" Conditionally Approved Waters, which includes the public oyster reefs in St. Louis Bay between the Highway 90 Bridge and the CSX Railroad Bridge (tonging areas only).

Harvesters are reminded that during the period of May 1 through September 30 of each year, it is required to shade oysters onboard all boats or vessels by having a suspended awning or similar covering above the oysters while the oysters are onboard.

Check station checkout times shall be 3 p.m. daily until further notice. This time may change if necessary.

For these waters, the designated check stations will be the DMR trailer on the east side of the Pass Christian Harbor or the DMR check station at Bayou Caddy. Drop boxes will be located at each of these check stations.

All 2004 and 2005 shell plant or cultch plant areas will remain closed to the harvest of oysters.

Commercial sack limits will be 25 sacks per day for dredging and 15 sacks per day for tonging. Commercial harvesters are limited to three sacks for personal use per week. (These sacks shall be counted toward the daily commercial sack limit for that boat or vessel.) Recreational harvesters are also limited to three sacks per week for personal use. Personal use oysters MAY NOT BE SOLD. Daily commercial sack limits are sub-

Renovations are soon to be complete on the old Waveland School building, now known as the Waveland Civic Center.

Classes are out, but please come in

I attended a workshop recently on the Waveland Civic Center, formerly the old Waveland School. The building, except for not having any students, remains pretty much as it was when it was built as a school in 1927. It has four classrooms, two offices, an auditorium, kitchen and two small boys and girls bathrooms.

School's been out for a

number of years, the last class being held in the old structure in the early 1970s. However, the building didn't remain dormant after regular classes were closed, and many of us remember receptions, parties, dances and plays in the building that had nothing to do with the dry subjects of math or geography.

High Tech Video and Broadcast Journalism teacher Tricia Gill (left) looks over the shoulder of professional videographer Ron Rodenmeyer as he conducts a workshop at Bay High last week. About 20 students attended the two-day workshop, which focused on basic lighting and sound techniques using the software Final Cut Pro. Before becoming the videographer/information technology planner for the Mississippi Department of Education, Rodenmeyer earned several honors for producing and directing award winning programs for ETV, including a Southern Regional Emmy.

Staff Writer

Students in Tricia Gill's High Tech Video and Broadcast Journalism classes at Bay High received some expert training during a two-day workshop last week. Ron Rodenmeyer, a professional videographer who has produced and directed several award-winning programs for ETV, conducted a two day workshop with Gill's students Wednesday and Thursday.

Rodenmeyer now serves as the videographer/information technology planner for the Mississippi Department of Education's Office of Educational

Technology. Along with producing all of the department's in-house training videos, he has led dozens of workshops for K-12 teachers, students and administrators.

"We are very excited about this course and the workshop," said Gill. "It's the first year we have offered this program at Bay High," said Gill.

The High Tech Video Production classes consists of 11th and 12th grader students. The Broadcast Journalism course is offered to 9-12 grades. In both courses, the students are beginning to learn to use Final Cut Pro, a profession-

Lohman crowned Miss Mississippi Coed - 2005

Heather Ashley Lohman, 19, daughter of Tamara and James Lohman, Jr. of Waveland, Mississippi, represented the City of Waveland at the Miss Gulf Coast American Coed Pageant held in Birmingham, AL, on August 5-7, 2005. Heather won the title Miss Mississippi Coed - 2005 at the pageant. Her grandparents are Carolyn and James Lohman Sr. of Diamondhead, Nancy and Richard Daniels of Punta Gorda, Florida, and Jerry and Sandra Hawthorne of Waterford, Michigan.

As the new state queen, Lohman will represent the state of Mississippi at the national pageant held at Disney World in Orlando, FL, during the month of November, 2005. She also placed 2nd at the pageant for the talent competition, 2nd for the speech competition, 2nd for the sportswear modeling competition, 2nd for the Miss Photogenic competition, 2nd for the best actress competition, received the "Spirit of America Award," received a special trophy from the judges for "Outstanding Program Participation," placed 2nd for advertisement sales, 2nd for the "best thank-you letter to sponsors," and was a semifinalist for academic achievements and volunteer service.

Heather Lohman

Lohman plans to return to the Mississippi Gulf Coast Community College in Perkinston as a sophomore this fall. She is majoring in Elementary Education because she wants to make a positive impact on the youth in our area. She stated, "It is truly an honor to have been chosen to represent my home state of Mississippi. I feel blessed above measure! Thank you! I love you, Mississippi!"

Miss Mississippi Coed - 2005, Heather Lohman, is hoping to find friends, businesses, and churches who will sponsor her by purchasing tax-deductible advertisements in the national pageant booklet or by simply sending a tax-deductible donation to the pageant, so that she will be better-

equipped to represent Mississippi at the national competition in Orlando, FL. She hopes to visit with local and state officials and representatives in the near future.

The Miss American Coed Pageants have been around for twenty-two years and have awarded more than \$11 million in scholarships and prizes to bright, ambitious young ladies, in order to help them reach their goals and fulfill their dreams in life. The national offices of the American Coed Pageants are located in Pensacola, FL.

Any businesses or individuals who would be interested in sponsoring Miss Mississippi Coed - 2005 can do so by writing a check or money order payable to the "American Coed Pageants" and mailing it to the following address: Miss Mississippi Coed - 2005 Heather Lohman, P.O. Box 2126, Bay St. Louis, Mississippi 39521-2126. If they would like to purchase an advertisement for the national pageant booklet, which will be distributed throughout the United States over the next year, they may write to the above address or call (228) 332-0197.

It is for a worthy cause and will help promote the state of Mississippi.

Battered Women's Shelter fund-raising banquet set to be held September 10

THE SEA COAST ECHO Resurrection Life Church of Picayune, will host a fund-raising banquet for the Day Star Battered Women's Shelter. Although the Shelter, operated by Day Star Women's Ministries, Inc., is the only one in Pearl River County, it offers a variety of vital services to Victims of Domestic Violence and their Children in Central and South Mississippi and Louisiana. It was co-founded by Dub Herring of Paw Paw's Camper City and Day Star.

Day Star is directed by Rev. Wyatt and Libby Garcia. The banquet will be on Saturday, September 10, at 7 p.m. at Resurrection Life Church in the old Wal-Mart Shopping Center across from Hudson's on Memorial Boulevard in Picayune. The

tax-deductible donation is \$50 per plate for the prime rib dinner.

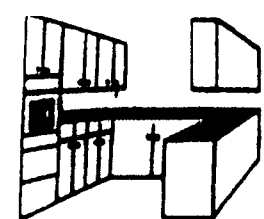

RSVP by August 31. For reservations or more information, call Tina White at (601) 795-0083 or Resurrection Life office at (601) 798-4511.

Bay St. Louis resident receives juris doctor degree from New England School of Law

THE SEA COAST ECHO
Emily Kate Alford, of Bay Saint Louis, received a juris doctor degree from New England School of Law during Commencement ceremonies at the Wang Center for the Performing Arts on May 27.

A 1998 graduate of Our Lady Academy and a 2001 graduate of the University of Alabama, Alford is the daughter of Douglas Holt Alford and Deborah Ginn Alford of Bay St. Louis.

A Dean's List student at New England School of Law, Alford was a staff member of the New England Journal of International and Comparative Law and a legal intern at Casa Myrna Vazquez, Inc., through the law school's Domestic Violence Clinic. She is serving a summer internship in the Law Office of Robert P. Keiner in Middlebury, VT.

At this year's Commencement, 314 juris doctor degrees and one

LL.M. degree were awarded, as well as five honorary doctors of law degrees. Brigadier General Leo A. Brooks, Jr., vice director of the army staff of the United States Army, gave the Commencement address.

New England School of Law was founded in 1908 as Portia Law School, the nation's only law school devoted exclusively to the legal education of women. Coeducational since 1938, the law school is accredited by the American Bar Association and is a member of the Association of American Law Schools. It is a nonprofit, tax-exempt institution.

Approximately 740 students attend the school's full-time division, while approximately 340 pursue degrees in the part-time division. An additional part-time program designed for students with primary childcare responsibilities allows for individualized study options.

The Center for the Prevention of Child Abuse hosts training

The Families First Resource Center along with the Center for the Prevention of Child Abuse is in need of volunteers. The center is a non-profit agency that offers free services to at risk children and their families. It will be holding a training class on Saturday Sept. 24 from 9 to 4:30 p.m. and on Tuesday and

Wednesday nights from 5:30 to 9 p.m.

If you are interested in becoming a volunteer please call Jennifer at 228-868-8686 or in Hancock County at 228-463-0000.

Unfortunately, these affairs had to cease as the building gradually fell into disrepair. Now, trying to walk from one end of the building to the other without falling through the rotten floorboards takes a tightrope walker's skill and a pocket full of luck. The building, listed as a Mississippi Historical Landmark, has recently received several grants to fix these floors and conduct other major repairs that would bring it back to the building of years past that many of us remember.

Hopefully, these renovations will be completed by January of 2007. With an eye to the time when those repairs are done, the Aldermen and Mayor convened the workshop to ensure the renovated build-

ing has some type of permanent administrative foundation that would both care for the building and optimize its civic use.

The place of the meeting furnished a reality demonstration of how the revised Civic Center's ability to hold several meetings simultaneously will be a much needed plus for Waveland. Problems with the Coleman Avenue offices required that the workshop be held in the traffic courtroom in the police headquarters on Highway 90. The courtroom was much too small for the meeting, the air conditioning was inadequate and the parking spaces available were too few.

The attendees were a diverse collage of interested groups. City officials, The Arts, especially the theatre

members, RSVP, the Hancock Library, Coleman Avenue Merchant Association members and a good many interested citizens were very vocal in giving their views on the direction of repairs, the possible building uses, and the possible establishing a Waveland Civic Center Foundation.

One facet of the old school's landscape brought a certain air of mystery to the workshop. Where did the cannons come from that are presently in front of the building? No one seems to know. They were identified as a sort of short cannon, called a carronade in armory terms, that fired an 8 pound ball about 1500 feet. Despite their short range and poor accuracy, the small guns with their heavy ball earned them the name

"smashers" when they were in use in the early 1800s.

Someone at the workshop asked if it was suitable to have such weaponry in front of a civic building. This thought was allayed with the remark that the two cannons were appropriate symbolic guardians, much like the paired stone lions one finds in front of libraries.

There is a great deal to be done relating to the Center. On a less physical aspect is the memories entwined in the structure of the old school. If you have letters and photographs pertaining to the former school, please send them to the Mayor's Office in Waveland. They will be archived and appropriate ones hung on the walls of the renovated Civic Center.

USDA-Natural Resources Conservation Service offers Wildlife Habitat Incentives Program

1. Are you a landowner in Hancock County?
2. Is wildlife management a primary concern for your property?
3. Would your property benefit from enhancing wildlife habitat for deer, turkey, quail, gopher tortoise, woodpeckers, fish or other wildlife?
4. Would you be willing to designate land for use of this program for a period of 5 to 10 years in duration?

If you answered yes to these questions, you may be eligible to participate in the USDA sponsored Wildlife Habitat Incentives Program (WHIP).

The Wildlife Habitat Incentives Program (WHIP) is a voluntary program that encourages creation of high quality wildlife habitats. Through WHIP, the Natural Resources Conservation Service (NRCS) provides technical and financial assistance to landowners and others to develop upland, wetland, riparian, and aquatic habitat areas for wildlife on their property.

WHIP provides cost-share payments to landowners under agreements that are usually 5 to 10 years in duration, depending upon the types of practices to be installed. A person may participate in WHIP if he or she owns or leases land, or can provide proof of control of the land for the agreement period.

If you are interested in signing up for this program or learning more about how this will benefit you as a landowner please contact us.

Application Process: The WHIP application process consists of the following steps:

- A landowner submits an application to an NRCS office or District office.

- Following agreement signature by NRCS and the selected landowner, funds are obligated to the project, and the participant may begin to implement the wildlife habitat development plan.

- Standard 5- to 10-year Program Agreements

Once selected, entities must work with the appropriate NRCS office to finalize and sign WHIP agreements, incorporating all WHIP requirements. A WHIP agreement is the legal contract with which the NRCS establishes its relationship with the participant; State, Tribal, or local government entities; or non-governmental organizations.

For More Information: For more information about WHIP, please contact USDA Natural Resources Conservation Service at 228.255.3225 or drop by at 16195 Hwy. 603, Kiln, MS. Or find more information on the World Wide Web at: <http://www.nrcs.usda.gov/programs/farmbill/2002>.

Art in the Pass welcomes N.O. artist Saskia Ozols

THE SEA COAST ECHO

Art in the Pass is pleased to announce that Saskia Ozols, a faculty member at the New Orleans Academy of Fine Arts, will be judging the cash award portion of the festival this year. Saskia is a classically trained figurative painter, sculptor and printmaker. Her training began at the New Orleans Academy of Fine Arts.

After a sojourn at the Latvian Academy of Art in Riga, she received her Master of Fine Arts in 2003 from the Pennsylvania Academy of Fine Arts in Philadelphia. While at The Pennsylvania Academy, she was awarded numerous prizes as well as the coveted William Emlen Cresson European Traveling Scholarship.

Before Saskia began teaching at NOAFA, she gained experience as a drawing and museum education instructor at the Pennsylvania Academy of

Fine Arts and the Fleischer Memorial School of Art in Philadelphia. She is also an apprentice in conservation of oil paintings and antique frames, having worked for numerous studios including Richard White in New Orleans.

Art in the Pass is a juried art show, which will be held September 24-25 in Pass Christian War Memorial Park. The festival will feature artists from around the Southeast along with live music, children's activities, a silent auction and a food court. For the juried portion of the festival, each artist will select one piece of work. Cash Awards will be given in three categories: Painting, Pottery & Sculpture and Miscellaneous with one Overall Best in Show. For more information on Art in the Pass please visit www.artinthepass.com or call (228) 216-2252 or (228) 452-2252 or e-mail info@artinthepass.com.

Lutheran Women support search & rescue operations

THE SEA COAST ECHO

Women of the Lutheran Church of the Pines have adopted the Louisiana Search and Rescue Dog Team operation as their new Mission project. Philip Kuper, a member of the Church of the Pines, and Kiva, his service dog, are volunteers in the volunteer group who support local and national law enforcement agencies with missing persons cases.

Philip has been employed at the Stennis Science Center since 1989. He is currently responsible for the SSC Ground Receiving Station, dealing with imagery from the Aqua and Terra Satellites. He is dedicated to his work at Stennis, but his second love is training and working his service dog, Kiva. She is a 4 year old black Lab who came to live with Phil and his wife, Barbara, when she was 8 weeks old. Since then she has become certified in both live and human remains detection, and has worked on cases in Louisiana, Mississippi, Alabama and Florida.

Phil and Kiva have assisted in locating lost and missing children, elderly, hunters, boating and swimming accidents, and homicides. They have logged hundreds of hours in training, in the woods, rubble piles, construction sites, urban areas, and on rivers and lakes. Handlers receive ongoing training in SAR techniques and strategies, K-9 methods, CPR, crime scene prevention, and other

related subjects.

All LaSAR members do this on their own time, and pay their own expenses for their dogs, gear and travel. There are no financial rewards; it is strictly a volunteer program. Phil said, "Even a sad ending brings closure to the victim's family. From the searcher's standpoint it may not turn out the way we want - but then it is not about us. We have faith that in the end it will all work out, and in the mean time, we help where we can. The personal rewards are not what you might expect."

The LWML (Lutheran Women's Missionary League) support missions around the world, but in addition, they support local mission programs financially. Their current project is raising money to support the search and rescue program. Though the LaSAR members support themselves, they need special radios, expensive batteries, and special experts to lead their various seminars. The moneys the ladies contribute will help them with these expenses.

Mrs. Dotty Bauer is collecting the money for this mission project. The ladies of the church are having a "No Bake Sale." On a poster in fellowship hall there are beautiful pictures with mouth-watering things to eat. A pocket is attached under each picture where you can "purchase" the desert you wish to buy by placing your contribution in the envelope and taking a

recipe to take home and bake. The ladies declare their poster pictures are "non-fattening". There are three chapters of the LaSAR on the Mississippi Gulf Coast. If you would like to contribute to this organization, Dotty's phone number is, (228) 467-9599.

'Doggie Birthday' raises funds for Diamondhead's SPCA

THE SEA COAST ECHO

Raisin Lu Hall, doggie daughter of Linda and John Hall, celebrated her "50th" birthday recently at the Diamondhead Community Center.

The honoree was dressed to the nines in a hot pink Diva Dog T-shirt with matching boa and special birthday hat.

Her nails, all four paws, were manicured and painted by MS Lucinda of "Hair Now Salon." Popular Beau and Dee Band entertained the lucky guests who dined on corn dogs, mini-dogs, weenies, and other delicious table scraps.

In lieu of gifts, guests brought donations to the Diamondhead SPCA. Over \$800 was collected in cash and many needed supplies were placed in Thelma Hopkins and Frances Pikes' trunks. These two women and many others donate tireless hours to this worthy cause.

Atlantic Marine

Bobby Lamb, owner, Atlantic Marine.

We are so fortunate to live in an area where boating is one of our main recreations. No matter what your boating or fishing preference is, there is a business in town that can handle all your boating needs. Atlantic Marine has been your number one boat source since 1992, consistently providing great service, selection and value.

Atlantic Marine does not encourage "pushy" sales tactics but does have a staff of knowledgeable and courteous employees who are ready, willing and able to help you.

Atlantic Marine offers everything from bay boats to offshore catamarans and everything in between including pontoon boats. You will find a great selection from Sea Chaser, Carolina Skiff, Pioneer, Crest, Crestliner, Pro Kat, and Sea Cat. They also sell Honda, Yamaha and Mercury Motors but are able to service all makes and models. Atlantic Marine has two certified mechanics on staff and one certified rigger for installation of new motors.

Here's an idea... repower your old boat with a new four stroke engine from Atlantic Marine. This new engine technology is more fuel efficient, reliable and cost effective and you'll spend more time on the water and less in the shop.

New owner Bobby Lamb was employed at Atlantic Marine for the past nine years. Boats have always been a passion for him so owning his own boat store is a dream come true. Bobby's philosophy of "Do it right the first time" assures his valued customers the best service possible.

Whether your love is fishing or pleasure boating, Atlantic Marine has the right craft for you. Visit the Atlantic Marine showroom soon located at 203 Highway 90 in Waveland, right next to Henderson Ford. For more information call 467-2847.

SURPRISE SOMEONE

When was the last time you surprised a friend or family member with something out of the ordinary? Giving someone flowers for no special reason is always a welcome surprise. And, surprising someone doesn't have to cost a cent. Flowers picked from a field can be just as nice as the ones delivered by a florist. Calling or writing someone you haven't been in touch with in a long time is another low-cost way to pleasantly surprise someone. In these times of electronic mail and instant messaging, an old-

fashioned letter delivered by the mailman can be a wonderful surprise. Baking cookies and bringing them to work to share with co-workers is not only a nice surprise, but also a special way to keep on good terms with those at work. Inviting someone to dinner who wouldn't otherwise expect it is another good way to surprise someone. And perhaps, the ones who would be most surprised by an act of kindness are not our friends or family, but our enemies.

Love your enemies, do good to those who hate you.

Saving face, we can lose other things

In the midst of a funeral homily, I struggled to acknowledge the child of the deceased lady. Before I realized what was happening, I became aware that the family had been very mum about family relations. They had said nothing of the surviving child.

"Is she here?" I asked very hesitantly, clumsily, afraid to drop the subject entirely.

There was an even clumsier look on the faces of the people present at their beloved's homegoing celebration. A few mumbled something which was quite unintelligible. A glutton for punishment, I ventured to pursue what I thought they had mumbled.

"She's dead?" I trailed off very tentatively.

This time, more voices, still sotto voce, joined the jumbled communication. What I heard then was the one thing I least wanted to hear: "She's in jail," came the still muffled words which no one wished to speak much above a whisper.

With a deep breath, I reached back within myself and repeated the words almost under my breath: "In jail?" I suddenly realized I had been led into a trap with no exit. By the way, this was not a first. However, this time I had been totally blindsided in that there was not a single clue that this was a hush-hush situation.

We all understand why family members stay silent about the incarceration or even about the mentally handicapped condition of a dear one. In a word, they are trying to save face. Unfortunately, in their determi-

nation to save face, they unwittingly blunder into situations or public scenes where they lose both face and other things besides.

On the other hand, there are families which swallow their bad medicine which entails a public admission that one of their dear ones is in jail. Thus, on occasion we witness the sight and sounds of a prisoner in jumpsuit orange, chained at the wrists and at the ankles, clinking and clanking his way up the church aisle while the body lies in state.

Beyond all expectations, I have seen and heard a couple of such prisoners stand up in church, give a quick summary of their lives and a powerful testimony to the spiritual lessons they have learned through their illegal activity and subsequent incarceration.

In fact, I was convinced on one occasion that the message of the chain-clinking incarcerated man, standing under heavy guard by the policeman, was far more powerful and effective than the words which I had spoken after the Gospel reading. To be sure, he had the undivided attention of every person at the funeral services.

The face-saving tactics of families experiencing the ordeal of a funeral extend to secrecy about personal relations as well, such as an unmarried couple living together, the existence of another woman, of another man or of a love child. What the families fail to realize is that such relationships usually come to light in the reading of the obituary.

As John Poindexter of the

President Reagan years learned in painful fashion under the national TV gaze of America, all CYA maneuvers sooner or later find their way into the inexorable stream of information which exposes even the most secret activities. Despite this glaring history, most politicians continue to dissemble or deny the facts outright. Apparently, even though we know this through the painful experiences of both ourselves and others, we still insist on engaging in futile face-saving conspiracies of silence, of pretense, of confusion and of explicit or implicit misinformation. So, we are self-destructing masochists who constantly try to shape the truth to fit our agenda.

However, none of us want to be accused of lying. In particular, no one would want to be accused of telling lies about family relations, problems and history, especially since Jesus said such terrible things about the lies of Satan: "When he tells a lie, he is speaking his native tongue, for he is a liar and the father of lies." (John 8:44)

Yet, many people are willing to play fast and loose with the truth in order to achieve that elusive saving of face. They simply don't subscribe to the Master's pledge, which, after all, entails biting the bullet and swallowing our pride:

"If you remain in my word, you will truly be my disciples, and you will know the truth, and the truth will set you free." (John 8:32) Yes, the truth will ultimately set all of us free, but the proximate effects may bring us great displeasure, even pain and humiliation.

Even as we speak, the New Hampshire Board of Medicine wants to send a doctor to a medical seminar because he dared to tell a patient that she is obese. And that even though

the doctor pointed out to the patient that there is a variety of programs, such as Jenny Craig, through which she could work as discreetly as she desired to correct her obesity.

Assuredly, the doctor must find it hard to believe that the truth will set him free. The New Hampshire Attorney General is actually investigating him. You mean, a doctor has no right, let alone obligation, to inform a patient of her unhealthy condition, and to counsel her concerning the best means to get healthier by losing weight?

Often a hard pill to swallow, the truth is generally taptanned around whenever it is inconvenient, not tailored to our agenda, or a source of embarrassment to us. Yes, virtually everyone does it: politicians, spouses, children, students, teachers, many talk show hosts, co-workers, even churchgoing people active in God's house.

Perhaps more than at any other time, the final rite of bidding farewell to this world is the most sensitive and most painful occasion for facing up to the truth. Most people say and do whatever they need to in order to avoid embarrassment and humiliation at this most emotional and poignant moment of life.

The changeless, permanent circumstances of death drive people inexorably to get at least this last gesture of life right. It is their swan song, the final curtain for salvaging a weak legacy and perhaps establishing a stronger, more meaningful and fulfilling one.

Every now and then, a family writes a candid, inspirational entry in an obituary: "Although she suffered with a severe mental disorder, it didn't stop her from being a joyful and kind-hearted person." The truth has set them free.

Reflections on Life
by Father Jerome LeDoux, SVD

Scripture Says

By Ed Young

You must know Jesus to be saved

Jesus said, "I am the way, the truth, and the life; no man can come to the Father but by me." John 14:6

Jesus says He's the way. He says plainly there's not another way. Many like to believe there are other ways to obtain eternal life. Not according to what Jesus proclaims profoundly. He also clearly states that no man can come to the Father except by Him.

Jesus also denounces any teaching that would make one believe that good works and the righteousness of a person is sufficient enough to enter Heaven. No one's righteousness is good enough for eternal life. Their sins have to be dealt with. That's what Calvary's Cross is all about.

Jesus says He's the Truth, and only the Truth lies within Him. He is the Word of

Truth; the Word of God. Truth is revealed in His word.

Jesus says He's the Life, the only One that can give eternal life. He says He formed us in our mother's wombs. (Isa. 44:2, 45: 9) Every breath we take is life from Him. From our mother's womb to our last breath is life from Him.

Eternal life comes when we ask Him to give us this eternal life. Dear Reader, have you done that?

Jesus says, "I am the Way, the Truth and the Life. No man can come to the Father except by me."

Life is but a fraction between two eternities. Where will you spend your eternity when you leave this life? Would it not be foolish to turn down this free gift from God?

Word of the Week

By Dennis Prutow

Accept the invitation to join our savior!

Jesus Christ came into the world to save sinners like you and me! He came to save men and women from eternal death in hell, to grant them forgiveness, to wash away their guilt, and to lead these same men and women on the path to heaven.

He says, "Come to me, all who are weary and heavy-laden, and I will give you rest" (Matthew 11:28). This is Christ's gracious invitation to you.

Why don't you accept this invitation? This is the alternative to living with a constant load of guilt because of sin. You are responsible to God.

You know you have not lived up to His standards. But the alternative is forgiveness! The wonderful option is a clear conscience.

Some laugh and say, "Ignore those feelings of guilt. They will go away!" But they never really do! Others say, "Religion is a crutch I can do without." But can you do without the blessing of a clear conscience? Why not respond to Christ's offer of Himself?

Trust Him as your sin bearer. Ask Him to wash you clean on the inside. Believe in Christ as your way to heaven? He promises, "The one who comes to me I will certainly not cast out" (John 6:37). So do not delay! Christ is calling you and saying, "Come to me." Accept His invitation!

PRCC Hancock Faculty

WAVELAND - Faculty members this fall semester at Pearl River Community College's Hancock Center in Waveland include from left: First row - Barbara Cropp, Amy Seay, Dawn Vosbel, Sally Nichols, Adrienne Bremer, and Leroy Musselman. Standing - Tim Ladner, Kay Palumbo, Margaret Smith, Dr. Gaynell Roberts (Coordinator of Hancock County operations), Debra Johnson, Mary Ann McRaney, Karen Jackson, and Dr. Arthur Johnson. The Hancock Center is located on U.S. Highway 90.

Fall enrollment at PRCC reaches record levels

Pearl River Community College officials announced this week that the 2005 fall semester enrollment is the largest in the school's 95-year history.

Through the end of late registration Tuesday, fall enrollment is up 152 students, including some 151 full-time students, to a total of 4,302 students on both the Poplarville and Hattiesburg campuses. That's a 3.7 percent increase over fall enrollment in 2004.

"I think we can attribute our growth to a number of factors," said PRCC President William Lewis. "It's been demonstrated that we live in a growth area of the state. And our faculty and staff continue to work diligently on making known the low cost, quality educational opportunities that are available at our community college."

"We believe that word is getting out, and folks are taking a real hard look at opportunities that are available at Pearl River Community College."

Dr. John Grant, Vice President for Instruction, said that at times every classroom on both the Poplarville and Hattiesburg campuses are filled.

"This increase presents new challenges for our faculty and administration," said Grant. "More and more people are furthering their education, and they see that Pearl River is a place to do that. There is a demand for the kinds of educational opportunities that Pearl River can deliver."

The same is true at PRCC's Forrest County Center in Hattiesburg, according to Dr. Cecil Burt, dean of the center. Enrollment on the Forrest County Center is 1,388 stu-

dents, up 128, or 10 percent over last fall. That is a 100 percent increase since 2001 when enrollment was 689 students.

"Our growth rate at the Forrest County Center is phenomenal," he said. "We are having to adjust schedules and seek out additional classroom spaces and parking to accommodate the overload. We're getting it done."

To accommodate future continued growth, construction began this June on a new building at the Forrest County Center across the front of the campus on U.S. Highway 49.

The facility will include five classrooms, a learning center with 30-35 computers, new library space with two study rooms and administrative space, two new academic offices and new restrooms.

Another area of growth is the Hancock County Center in Bay St. Louis, which opened last spring. Fall classes in 2004 were taught at local high schools. Fall enrollment in 2004 topped out at 97; current enrollment is 193, a 100 percent increase.

According to Chuck Abadie, Director of Public Relations, two reasons for growth at our Hattiesburg and Bay St. Louis operations are expanded class offerings and the rising cost of gas.

"A big thing is the viability of the Hattiesburg and Hancock County areas and the way those general areas have grown and continue to grow," said Abadie. "We continue to offer quality, affordability and accessibility, which helps from a travel standpoint for our commuter students."

"Our marketing efforts in Hancock County, as well as

some of our marketing and recruiting efforts throughout our six-county district, have been a big plus for us. We have a lot of good things happening at Pearl River."

Adam Breerwood, dean of student affairs at PRCC, reported that all 300 dormitory rooms on the Poplarville campus are filled, and that there is a waiting list for housing accommodations for male and female students.

Breerwood attributes this demand to several reasons.

"The growth of our college is one thing," said Breerwood. "Number two, the low cost, but quality housing that we provide. Economically, it's a bargain for the students."

Construction is underway on two new dormitories on the Poplarville campus, one for men and one for women. The dorms will have two stories. The total number of new rooms in 2005, including 114 male rooms and 168 female rooms. They are scheduled to open in August, 2006.

Breerwood is not surprised that the school's enrollment continues to rise. "The diversity of our curriculum and the quality of instruction are major factors in our enrollment increase," said Breerwood. "Our classes are much smaller than they are in the university system, and that is important to these kids. Plus, it's the best value in higher education."

Added Lewis, "This growth in our enrollment shows that our programs are meeting the needs of an increasing number of students, both traditional and non-traditional."

Newspapers In Education

The Sea Coast Echo is participating in the Newspaper in Education Program, (NIE), for the 2005-2006 School year. Sponsors are needed to help provide newspapers for classroom use. During the 2004-2005 school year, all area schools participated in the NIE Program.

You can help by sponsoring a specific teacher(s) at one or more of our schools.
Sponsorships are \$150 per class per year.

N.I.E. and YOU make it possible to put our local newspaper in the classrooms to put students in touch with what is happening in their community.
Thanks to you, N.I.E. is possible!

Newspapers In Education is a program in which newspapers supplement traditional teaching materials in the classroom. N.I.E. programs are provided to local schools through paid sponsorship programs.

Newspapers In Education programs teach with the newspaper. Students learn to become critical thinkers through reading, analyzing and discussing newspaper stories and editorials. They use the knowledge they gain to engage in conversations with peers and family members.

If you would like to be an NIE SPONSOR or if you are a teacher and would like to use the Echo's N.I.E. program in your classroom you may contact THE SEA COAST ECHO at 467-5474.

Enjoy an intimate evening with Wynonna at Bay Magic

THE SEA COAST ECHO
No One Else On Earth," can please an audience like Wynonna Judd.

She began her music career with her mother Naomi as The Judd's in 1984 and for the last decade has crafted a multi-platinum solo career. Wynonna will be on the Mississippi Gulf Coast, October 28 and 29 performing a live acoustic concert at Casino Magic Bay St. Louis at 9 p.m. Tickets start at just \$39.95 and are available at the Casino Magic Box Office by calling 1-800-5-MAGIC-5 or by logging on to ticketmaster.com. Don't wait to grab your seats to this hot show or they'll be gone!

You may have seen Wynonna around lately. She has appeared on the covers of Ladies Home Journal and Good Housekeeping. She also tried her hand at comedy on ABC's hit sitcom, "Hope and Faith." Wynonna was also honored with the USO's prestigious Merit Award for service to all divisions of the United States Armed Forces. This year she celebrates twenty-one milestone years as a music icon with 20 #1 hits and a third solo CD. Wynonna continues to blaze trails with her compassionate artistry, humanitarian endeavors and unprecedented success.

She recently captured the hearts of fans and critics with her #1 studio album, What the World Needs Now is Love. Rolling Stone proclaimed, "Ms. Judd appears just when we need her...tender enough to let a little humor into the tune and tough enough to shut down a biker bar," while The New York Post raved, "Judd has risen... and created the best album of her career!"

The Judds became one of the most celebrated success stories in country music history. In just six short years, they had sold more than twenty million records worldwide and had won over sixty industry awards including five Grammys, nine Country Music Association Awards and eight Billboard Music

Wynonna Judd will perform at Casino Magic Bay St. Louis Oct. 28-29.

Awards. In 2002, Wynonna and Naomi were named two of the "40 Greatest Women of Country Music" by CMT. The Judds are universally loved and still regarded as country music royalty for music fans around the globe.

Wynonna signed her first solo record deal in 1992. With vast critical acclaim, Wynonna, selling over five million units, became the highest-selling debut album by a female artist at the time. The list of her Top 20 hits grows longer every year. Hits include: "Mama He's Crazy," "Why Not Me," "Girls Night Out," "Love is Alive," "Have Mercy," "Grandpa," "Rockin With the Rhythm," "Cry Myself to Sleep," "I Know Where I'm Going," "Maybe Your Baby's Got the Blues," "Turn it Loose," "Change of Heart," "Young Love," "Let Me Tell You About Love," "She Is His

Only Need," "I Saw the Light," "No One Else on Earth," "My Strongest Weakness," "Only Love," and "To Be Loved by You."

Respected by the millions of fans who are drawn to her music, Wynonna's luminous career has certainly grown to levels once thought unimaginable.

Innovative, inspired and imaginative, this phenomenal twenty-one year veteran is about to change the rules all over again. With a long-awaited book project, singles to multiple formats and several network appearances in the works, Wynonna will continue to shake up the musical landscape as she blasts into her third decade of consummate victory!

Don't miss An Intimate Evening with Wynonna at Casino Magic Bay St. Louis, October 28 and 29! Must be at least 21 to attend.

Diamondhead Arts & Crafts Show

The Arts and Crafts Show at Diamondhead will take place on Saturday, September 17, from 9:30 a.m. till 5 p.m. and Sunday, September 18, from 10 a.m. till 4 p.m.

There will be exciting new exhibitors, as well as those who have been with the show for many the past twenty one years. Decorations and accessories for you and your children, your home and yard, even things for the family pets will be featured. Other items on sale include unusual jewelry and other handmade and creative items that you can't find in stores.

Drinks sandwiches and "munchies" will be available outside. The Diamondhead

Country Club will have a lunch special available inside.

Diamondhead Continuing Education, one of the show's sponsors, will be holding a raffle with exciting prizes in conjunction with the Crafts Show. Raffle tickets will be on sale both days, with the drawings on Sunday afternoon. You need not be present to win.

Parking at the show site is limited so there will be free shuttle bus transportation from the Diamondhead Shopping Center parking lot on both days. This show is sponsored by Diamondhead Continuing Education, an organization whose programs provide enrichment for all age groups, and the

Diamondhead Youth Summer Program, which is dedicated to offering positive learning experiences which are "just for fun and just for kids." These classes include art, drama, computer, sewing, guitar, piano, dance, cheerleading and many more. The show also supports local scouts, swim team, and children's theater group. Please leave your pets at home.

Sunday

6:05 a.m. on HBO

Movie: The Nightmare Before Christmas

And you thought it was disconcerting to see Christmas decorations in the stores at Halloween! This surreal 1993 animated fantasy from Tim Burton ("Edward Scissorhands") takes the overlapping holiday scenario to the extreme. The Pumpkin King, ruler of Halloween Town, hatches a plan to kidnap Santa Claus and put his own ghostly spin on the yuletide season. Danny Elfman, Chris Sarandon and Catherine O'Hara supply the voices.

Thursday

6 a.m. on HBO

Movie: Alaska

Sean and Jessie (Vincent Kartheiser, Thora Birch) hike across Alaska in search of their father (Dirk Benedict), who disappeared while piloting his small plane. The children are helped by a polar bear they rescued from a vicious poacher (Charlton Heston). This 1996 adventure was directed by Heston's son, Fraser.

7 p.m. on FAM

Movie: The Little Rascals

Penelope Spheeris ("Wayne's World") directed this charming 1994 comedy, which transplants the Our Gang kids to the '90s with their '30s innocence intact. Alfalfa (Bug Hall) incurs the wrath of the He-Man Woman Haters Club when he falls for the lovely Darla (Brittany Ashton Holmes). Eventually, all learn that girls are people, too. Whoopi Goldberg, Mel Brooks and Reba McEntire have cameo roles.

8 p.m. on HALL

Movie: The Parent Trap

Lindsay Lohan plays the Hayley Mills part — make that Paris — in this 1998 remake of the 1961 family classic. Twins separated as babies meet at camp and decide to switch places in an effort to get their long-divorced parents (Dennis Quaid, Natasha Richardson) back together. But the clock is ticking: Dad is about to marry a thoroughly unlikable woman (Elaine Hendrix). Lisa Ann Walter also stars.

Friday

7:15 a.m. on HBO

Movie: Mouse Hunt

Picture "Home Alone" with a little critter in the Macaulay Culkin role, and you have the basic premise of this 1997 slapstick comedy. Nathan Lane and Lee Evans play bumbling brothers with visions of big bucks from the sale of the valuable Victorian house they've inherited. But first, they have to evict the current tenant, a resourceful rodent that laughs at traps, cats and even the exterminator — played, in an inspired bit of casting, by Christopher Walken.

Saturday

7 p.m. on HBO

Movie: Shark Tale

Will Smith provides the voice of Oscar, a musically inclined fish, in this 2004 CGI hit. When Oscar is found at the scene of a murdered shark who is the son of a mob boss, he is assumed to be the killer. Hailed by other fish as a shark slayer, Oscar finds it hard to live up to his inaccurate reputation. Additional voices include Robert De Niro, Renee Zellweger, Jack Black and Angelina Jolie.

TV Trivia

Orson Welles ("Waterloo") was 25 years old when he directed and starred in "Citizen Kane."

Gregory Peck ("Arabesque") received the Jean Hersholt Humanitarian Award from the Academy of Motion Picture Arts and Sciences in 1968.

Camryn Manheim ("Mercury Rising") once worked as a sign language interpreter in hospital delivery rooms.

Olympia Dukakis ("Moonstruck") began her stage career at age 13, but she received her degree in physical therapy from Boston University.

Edward James Olmos ("Battleground") was a rock singer and furniture mover before he undertook acting, directing and screenwriting.

IndyCar Racing

A new challenge awaits the Indy Racing League drivers today in the inaugural **Argent Mortgage Indy Grand Prix**. It's the rolling terrain and sweeping corners of the 2.26 mile, 12-turn **Infinion Raceway** in Sonoma, Calif., site of the series' first road-course event in its 10-year history. Drivers got a taste of what to expect in April, when Dario Franchitti posted the best time over two days of testing. Series points leader Dan Wheldon didn't fare as well.

6 p.m. on 8-FOX on 25-FOX

Malcolm in the Middle

As a joke, the boys enter their mom (Jane Kaczmarek) in a local beauty pageant. When they hear other contestants dissing her, though, it's no longer funny, and they hatch a plot to help her win. Malcolm (Frankie Muniz) is forced to deliver messages to a contestant for a smitten Mr. Herkabe (Chris Eigeman). Reese (Erik Per Sullivan) discovers that according to the pageant's scientific standard, he's a beauty in "Mrs. Tri-County."

6 p.m. on 6-NBC

Eagles Farewell 1 Tour

In case you missed it in June, here's another chance to catch this two-hour concert special taped in Melbourne, Australia — one of the stops on the Eagles' current tour. In addition to a solid selection of the band's hits — "Hotel California," "Desperado," "Take It Easy" and more — there are also two new ones: "One Day at a Time" and "No More Cloudy Days."

6 p.m. and HALL

Movie: McBride: Anybody Here Murder Marty?

McBride (John Larroquette) represents a man accused of killing a popular talk show host. He had a motive: His girlfriend humiliated him by breaking up with him on the show. But this is a McBride movie, and he's McBride's client, so he has to be innocent. Now, if only McBride can prove it. Marta Dubois and Matt Lutz also star in this new mystery.

Cold Case

A junkie dies wearing a rare ring that belonged to a wealthy Philadelphia woman who was killed

in 1984. Her husband was convicted of her murder but swears he didn't do it. Rush and Valens (Kathryn Morris, Danny Pino) learn that the couple had lost everything in a malpractice suit and took desperate measures to maintain their lavish lifestyle. John Finn and Andrea Savage also star in "Schadenfreude."

7 p.m. and MTV

2005 MTV Video Music Awards

It could be a Green Day night. The band, which is also slated to perform at the 22nd awards gala, is up for eight awards including video of the year, best group video and best rock video for "Boulevard of Broken Dreams." Other multiple nominees include Gwen Stefani and Missy Elliott with six each and U2 with five. In addition to Green Day, the performer lineup includes Mariah Carey, the Killers, Kelly Clarkson and Kanye West. P. Diddy hosts.

8 p.m. on 4-CBS

Movie: Stone Cold

Movie: Stone Cold
Tom Selleck stars in this 2005 mystery as Jesse Stone, a for-

mer Los Angeles homicide detective now serving as police chief of a sleepy New England fishing village. When the town is hit by several murders and a rape, Stone must get his own act together — he overindulges in liquor and ladies — as well as get his inexperienced police force up to speed on solving major crimes. Mimi Rogers also stars.

8 p.m. on HBO

Rome

Much as the recent U.S. series "Empire" told tales of ancient Rome through the eyes of a fictional gladiator-turned-imperial bodyguard, this ambitious new series begins in 52 B.C. with two soldiers (Kevin McKidd, Ray Stevenson) as protagonists. In the premiere, "The Stolen Eagle," they are assigned to search for a pilfered standard made of gold. Ciaran Hinds plays Julius Caesar.

7 p.m. on 8-FOX on 25-FOX

Prison Break

This new series is in the race-the-clock manner of "24," although it covers more than a single day. The two-hour premiere introduces Michael Scofield (Wentworth Miller), whose brother, Lincoln (Dominic Purcell), is facing execution for a crime he didn't commit. Michael has a set of blueprints for the prison and intends to use them to bust his brother out. First, though, he has to get in.

7 p.m. on 38-WB

7th Heaven

Mommy issues abound in "Honor Thy Mother." Ruthie (Mackenzie Rosman) defies Annie (Catherine Hicks) by ditching a special family meal to sneak out and see her boyfriend (Thomas Decker). Eric (Stephen Collins) counsels a woman (guest star Melissa Gilbert) who wants his help sending her mother to a nursing home. A surprise visit from his brother (Geoff Stults) forces Kevin (George Stults) to invite his mom (guest star Bo Derek) over.

8 p.m. on 38-WB

Summerland

Ava (Lori Loughlin) finds herself a little lost without Susannah (Merrin Dungey) in "Yummy Mummy." Her new insecurity threatens her burgeoning relationship with Simon (Jay Harrington). Jay (Ryan Kwanten) helps Bradin (Jesse McCartney) with his surfing technique.

9 p.m. on 4-CBS

CSI: Miami

A police officer is murdered during a routine traffic stop, and the only witness — a civilian who was riding along — is missing. The investigators' analysis of evidence at the side of the road leads them to a teenage girl (guest star Kirsten Storms) who may know more about the case than she is letting on. A dispute over a case causes problems in Horatio and Rebecca's (David Caruso, Christina Chang) relationship in "Cop Killer."

9 p.m. on 6-NBC

Medium

Allison (Patricia Arquette) confronts the spirit of a serial-killer doctor who's responsible for the murders of 14 girls and has his eye on a 15th victim. Ariel's (Sofia Vassilieva) math teacher accuses her of cheating. Kay Panabaker and Robert Joy guest star in "Penny for Your Thoughts."

Tuesday Best Bets

7 p.m. on 8-FOX on 25-FOX
House

House and the recently returned Cameron (Hugh Laurie, Jennifer Morrison) finally confront the issue that drove Cameron to leave the hospital: their feelings for each other. A twist work, the latest medical mystery is a young Asian man who is suffering from blood

David McCallum

clots and strokes. The team wonders if his sexual proclivities — he's into masochism — might be a factor in "Love Hurts."

7 p.m. on 4-CBS
NCIS

A body is found in a storage locker filled with the belongings of a Navy medic who saved multiple lives in Iraq before being killed in action. Police think he must have something to do with the woman's death, but Gibbs (Mark Harmon) can't accept that and sets his team to work finding evidence, to clear the medic's name. Sasha Alexander, Michael Weatherly and David McCallum also star in "Hometown Hero."

7 p.m. on 38-WB
Gilmore Girls

Rory (Alexis Bledel) tells Logan (Matt Czuchy) that casual dating isn't working for her and she'd rather be friends. His surprising response: He wants to get serious, and he wants her to meet his folks. Rory gets another shock from their reaction to her. Sookie (Melissa McCarthy) is on bed rest, so Lorelai (Lauren Graham) asks Luke (Scott Patterson) to fill in at the inn. Yanic Tattersall also stars in "But I'm a Gilmore!"

7:30 p.m. on 54-UPN
Eve

Shelly and Rita (Eve, Ali Landry) watch "Kill Bill" and decide to take a martial-arts class. After Rita takes Shelly down in a practice match, the competition heats up. Donovan (Sean Maguire) hooks up with an older woman (guest star Tanya Roberts) and tries to fix her friends

up with J.T. and Nick (Jason George, Brian Hooks). "Kill Bill" stars Vivica A. Fox and David Caradine also guest star in "Kung Fu Divas."

8 p.m. on 26-ABC on 13-ABC
According to Jim

Cheryl (Courtney Thorne-Smith) throws a bachelorette party for Dana (Kimberly Williams). Actually, "gently pitches underhand" is a better description than "throws"; the event is much too tame for Dana's tastes. So Jim and Andy (Jim Belushi, Larry Joe Campbell) take her out for some hearty partying. She enjoys herself immensely but may find it difficult getting to the church on time in "The Bachelorette Party."

8 p.m. on 19-PBS
Wide Angle

The new documentary "Pickles, Inc." tells the story of eight wid-

owed Arab-Israeli women who have defied the custom that dictates widows should fade into the background. Not wanting to rely on others to support them and their children, they opened a business making and selling pickles. With this courageous move, they are helping not only themselves but the economy in their downtrodden Galilee village.

9 p.m. on 6-NBC
Law & Order: Special Victims
Unit

In "Identity," Benson and Stabler (Mariska Hargitay, Christopher Meloni) investigate what looks like a clear-cut case of retribution: a gang member pushed to his death from a roof after committing a sexual assault. But the subsequent death of the young woman (guest star Regan Thompson) whom he attacked shows the detectives that this one won't be so easy after all. Mary Stuart Masterson guest stars.

Wednesday Best Bets

7 p.m. on 38-WB

One Tree Hill

Keith and Dan (Craig Sheffer, Paul Johansson) have a nasty confrontation after Keith finds out Dan paid Jules (Maria Menounos) to have sex with him. Anna (Daniella Alonso) finds out that Felix (Michael Copon) defaced Peyton's (Hilarie Burton) locker and turns him in. Lucas and Brooke (Chad Michael Murray, Sophia Bush) discuss Brooke's future — or lack thereof — in Tree Hill in "Something I Can Never Have."

7 p.m. on AMC

Bond Girls Are Forever

Maryam d'Abo — the leading lady of the 007 adventure "The Living Daylights" — talks with other "Bond girls" in this special. Interviewees include Ursula Andress ("Dr. No"), Honor Blackman ("Goldfinger"), Jill St. John ("Diamonds Are Forever"), Jane Seymour ("Live and Let Die"), Carey Lowell ("Licence to Kill") and Halle Berry ("Die Another Day").

8:30 p.m. on 4-CBS

Yes, Dear

The job of Greg's (Anthony Clark) assistant is open again. They never seem to stay very long, and Greg isn't sure why. Christine (Liza Snyder) offers her services, and Greg agrees to give her the job on a trial basis. The arrangement is working beautifully, until Kim's (Jean Louisa Kelly) phone calls reveal the real reason Greg's assistants keep quitting. Mike O'Malley also stars in "Greg's New Assistant."

8 p.m. on 26-ABC on 13-ABC

Lost

With the raft in ashes, Michael and Jin (Harold Perrineau, Daniel Dae Kim) work on a new one. Numbers that show up repeatedly on Rousseau's notes turn out to be the ones with which Hurley (Jorge Garcia) won the lottery, driving him to go looking for her, and Sayid, Jack and Charlie (Naveen Andrews, Matthew Fox, Dominic Monaghan) go after him. Locke (Terry O'Quinn) has a surprise

for Claire (Emilie de Ravin) in "Numbers."

8 p.m. on 38-WB

Smallville

In "Sacred," Clark and Lana (Tom Welling, Kristin Kreuk) go to China in an effort to beat Lex and Jason (Michael Rosenbaum, Jensen Ackles) to the kryptonian crystal they're seeking. They achieve that goal but discover another rival for possession of the crystal: Isobel the witch, who's once again occupying Lana's body.

8 p.m. on 54-UPN

Veronica Mars

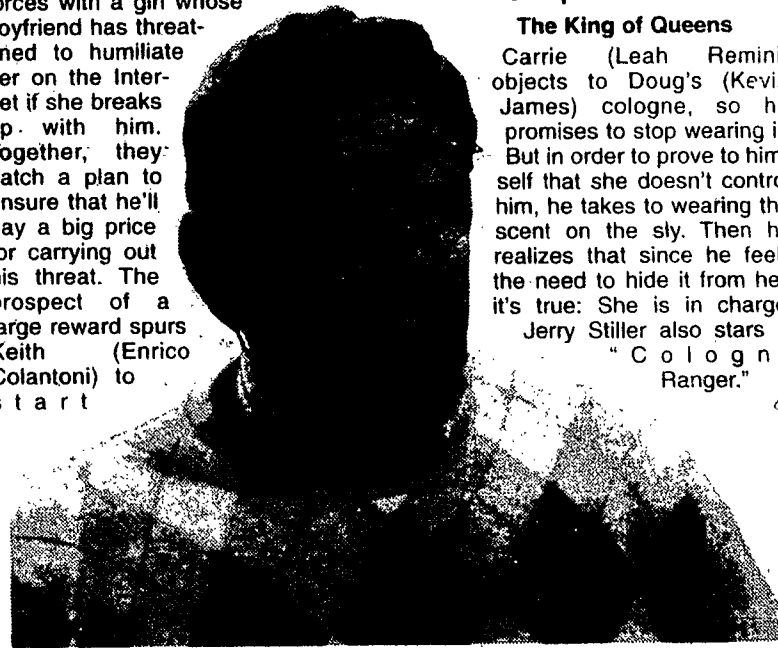

Veronica (Kristen Bell) joins forces with a girl whose boyfriend has threatened to humiliate her on the Internet if she breaks up with him. Together, they hatch a plan to ensure that he'll pay a big price for carrying out his threat. The prospect of a large reward spurs Keith (Enrico Colantoni) to start

searching for Duncan (Teddy Dunn) in "M.A.D."

8:30 p.m. on 4-CBS

The King of Queens

Carrie (Leah Remini) objects to Doug's (Kevin James) cologne, so he promises to stop wearing it. But in order to prove to himself that she doesn't control him, he takes to wearing the scent on the sly. Then he realizes that since he feels the need to hide it from her, it's true: She is in charge. Jerry Stiller also stars in "Cologne Ranger."

Movie: Shanghai Knights

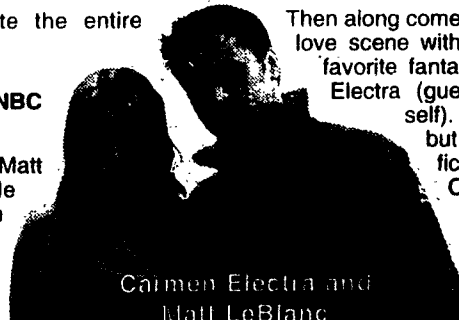

Anyone who saw "Shanghai Noon" will know what they're getting into with this 2003 sequel — but Jackie Chan and Owen Wilson remain an agreeable starring duo. After his father's murder in late-19th-century China, Chon Wang (Chan) retrieves his comrade Roy (Wilson) and takes him to England, where they try to stop the killer's (Aidan Gillen) larger scheme —

to assassinate the entire royal family.

7 p.m. on 6-NBC

Joey

Poor Joey (Matt LeBlanc). He loves Sarah (Madchen Amick) and is committed to her alone.

Carmen Electra and Matt LeBlanc

Then along comes the chance to do a love scene with one of his all-time favorite fantasy women, Carmen Electra (guest starring as herself). It's strictly business, but Joey will have a difficult time romancing Carmen for the cameras without actually enjoying himself. Drea de Matteo also stars.

7 p.m. on HBO

Children of Beslan: Russian School Siege

In September 2004, Chechen rebels seized a school in Beslan, Russia. When the standoff ended, more than 350 people were dead — 156 of them children 12 and under. This documentary marks the one-year anniversary of the siege with gripping eyewitness accounts from some of the children who lived through it.

8:59 p.m. on 6-NBC

ER

As the ER fills up with casualties from an apartment building fire, the staff is reacting badly to a couple of personnel decisions, including the appointment of Dr. Morris (Scott Grimes) as chief resident. Dr. Lewis (Sherry Stringfield) is denied tenure and takes out her anger on Dr. Carter (Noah Wyle). Dr. Weaver (Laura Innes) only makes things worse by trying to calm her down in "You Are Here."

Supernanny

Forget spoonfuls of sugar. The star of this reality series is more Patton than Poppins. Jo Frost, who's spent years taming bratty Brits, helps American parents take back the reins of power from their youngsters. Once Frost has helped Mom and Dad lay down and enforce the law, and the kids have had some practice following it, she lets the family fly solo. Never fear, though; she's watching and will return if help is needed.

What I Like About You

In "My Boyfriend's Back," Holly (Amanda Bynes) seeks advice from old flame Henry (guest star Michael McMillian) on improving her miserable track record with guys. Her sister (Jennie Garth) is on the receiving end of an attempt to revive her own love life, as Lauren (Leslie Grossman) lures Todd (guest star Luke Perry) back to the bakery.

Forrest Gump

Tom Hanks stars in the feel-good blockbuster of 1994. Simple-minded Forrest (Hanks) takes a head-on approach to life and becomes a Vietnam War hero, millionaire entrepreneur and witness to history. Sally Field co-stars as Forrest's protective mother, Robin Wright plays his love interest, and Gary Sinise is his reluctant buddy. The film won six Academy Awards.

8 p.m. on 26-ABC on 13-ABC
Hope & Faith

Faith (Kelly Ripa) lands a new job doing the weather at a television station, and the temperature rises when she meets newscaster Larry (guest star Dean Cain). Hope (Faith Ford) feels abandoned by her partner in the catering business and hires a new, superefficient assistant. Now it's Faith's turn to feel slighted. Ted McGinley also stars in "Weather or Not."

8:30 p.m. on 8-FOX on 25-FOX
Arrested Development

Michael (Jason Bateman) wants George Sr. (Jeffrey Tambor) out of the model-home's attic because an inspector is coming. Gob (Will Arnett) tries to help, but his efforts backfire in a big way. Ann and George Michael (Mae Whitman, Michael Cera) organize a movie boycott, which also backfires. Ali.

Shawkat, Portia de Rossi and David Cross also star in "Righteous Brothers."

8:30 p.m. on 38-WB

Living With Fran
 Marilu Henner and John Schneider guest star as Riley's (Ryan McPartlin) mom and dad, who decide to surprise their son with a visit. The surprise turns out to be on them — and on Fran (Fran Drescher) when it's revealed that Riley never told his folks that Fran is so much older than he is.

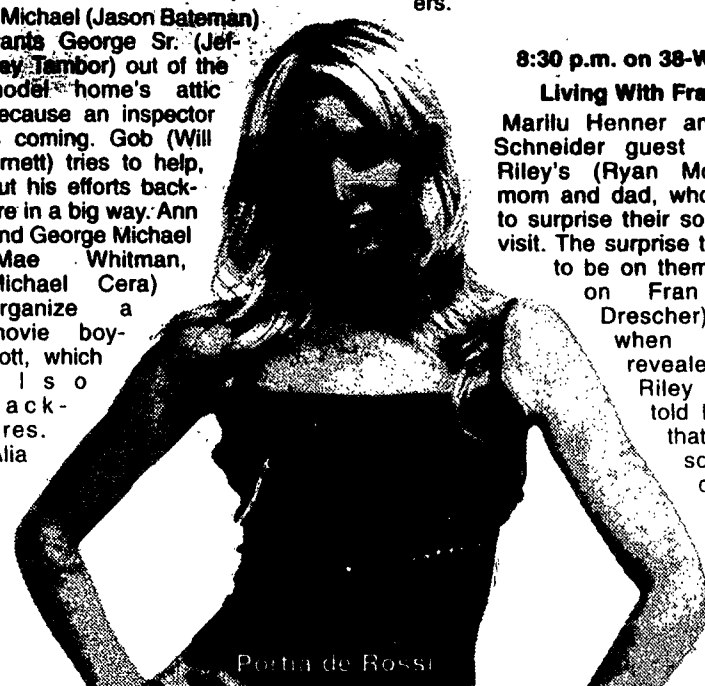

9 p.m. on 4-CBS
NUMB3RS

A prison bus crashes, and two dangerous inmates manage to escape in the ensuing confusion. Don (Rob Morrow) knows something about finding fugitives, but as always, a little help from his math-whiz brother, Charlie (David Krumholtz), couldn't hurt. Sabrina Lloyd also stars in "Man Hunt."

9 p.m. on 6-NBC

Crossing Jordan

Two deaths at the airport have the authorities wondering if a killer virus hitched a ride on an international flight. Garret (Miguel Ferrer) determines that both victims — a passenger and a baggage handler — died of drug overdoses. Woody (Jerry O'Connell) thinks the deaths are related and possibly linked to a smuggling ring. Jordan (Jill Hennessy) suspects an elderly man's death was an assisted suicide in "Gray Murders."

Sea Coast Echo

In Focus

"The View" is fresh again as co-hosts **Star Jones Reynolds, Elisabeth Hasselbeck, Barbara Walters, Joy Behar and Meredith Vieira** (from left) launch a new season of their weekday ABC information series Monday, Aug. 29. While the program includes the traditional talk show mix of celebrity guests and "how-to" segments, many viewers tune in for the opening conversation among the women ... who can be exceedingly candid as they discuss the newsmakers and big stories of the day.

If a criminal case was simple, it wouldn't fall to the "Hallmark Mystery Movie" character played by **John Larroquette** ... thus the reason d'être for "McBride: Anybody Here Murder Marty?" a Hallmark Channel puzzler debuting Sunday, Aug. 28. At first, a singer's on-air battle with her boyfriend during a talk-show appearance seems as if it might be staged. The program's host later turns up dead, though, with the evidence implicating the boyfriend as the killer. Enter McBride - and some surprises.
